The Class of
Two Thousand Eight
proudly presents
the 124th edition of
Oak, Lily, and Ivy

"Then here's the oak, brave old oak
Who stands in his pride alone;
And still flourish he, a hale green tree
When a hundred years are gone."

"Ye lilies, bathed in morning dew
Of purity and innocence, renew
each lovely thought."

"Oh! A dainty plant is the ivy green,
That creepeth o'er ruins old!
Of right choice food are his meals,
T'ween, in his cell so lone and cold."

"Fast he stealeth on, though he wears no wings
In a staunch old heart has he;
How closely he twineth, how tight he clings,
To his friend, the huge oak tree!"

The 2008 O.L.I. Yearbook is dedicated to
Linda & Nick Zacchilli

Mr. and Mrs. Nicholas Zacchilli
70 Years of Service to Milford Schools

Medals of Honor, perhaps, would be more fitting for Linda and Nick Zacchilli, as the book closes on their remarkable careers as educators. To say that they have left their mark would be an understatement, as they have provided quality education, coaching and leadership for the students and athletes of the Milford Public schools for thirty five years each and seventy years combined.

Best described as talented and passionate, Linda and Nick maintained their intensity, vitality and dedication to the profession throughout their entire careers by accepting one challenge after another.

What the Zacchilli's accomplished individually will remain in the record books, but what they achieved collectively could be included in story books. Linda and Nick will retire as the most successful husband and wife coaching tandem in the history of Milford High School.

Nick Zacchilli

Coach Nick Zacchilli, our athletic director for the past twenty six years, will be best remembered for his achievements as a wrestling coach. In that capacity, he took MHS teams to the State Finals five times and won three State Titles in 1978, 1981, and 1983. His teams won nine sectional championships as well.

A Boston Globe Coach of the Year in 1978 and 1982, Nick was inducted into the Massachusetts Interscholastic Wrestling Coaches Hall of Fame in 1991. In 1993, Coach Zacchilli became the first Milford High School Coach to earn regional notoriety, when he was inducted into the New England Interscholastic Wrestling Association Hall of Fame.

As an assistant football coach for Dick Corbin, Dennis Breen and John Dagnese, Mr. Zacchilli contributed to seven Super Bowl appearances and two Championships in 1975 and 2006.

Over the years, Mr. Zacchilli has received numerous State, Regional and National Service Awards, including District E and Massachusetts Athletic Director of the Year in 1998. That same year, Nick received the National Interscholastic Athletic Administrators Association Eastern Region Athletic Director of the Year Award.

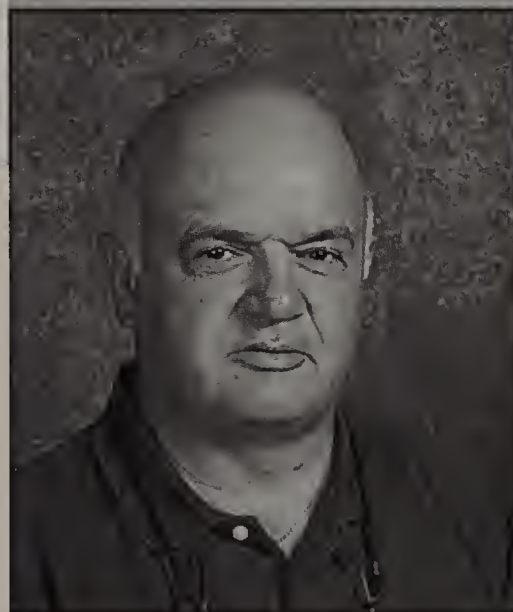

Linda Zacchilli

While Mrs. Linda Zacchilli enjoyed success in coaching tennis and basketball, volleyball was the sport that would define her career as an athletic coach.

Volleyball and Coach Linda Zacchilli would become synonymous in MHS athletics, as she was the pioneer of both the women's and men's programs, which were introduced in 1975 and 1985 respectively.

Coach Linda's Varsity Woman's Teams won twelve Midland League Championships, nine District Titles and contended for State Championships in 1978, 1980 and 2007, where they finished second. Her men's teams were crowned League Champions five times, while making the State Tournament, Final Four, on three occasions.

A Boston Globe Coach of the year in 1978 and 1980, Mrs. Zacchilli was the 1999 Inaugural Inductee into the Massachusetts Woman's Volleyball hall of Fame. Remarkably, a total of twenty five of her former players would return to the sport as freshman, Junior Varsity, Varsity and College Coaches.

To the Class of 2008

I want to congratulate each and every member of the class for your individual accomplishments and the personal growth you have exhibited throughout the years spent at Milford High School. As a class, your achievements are equally as noteworthy. Attendance and participation in class activities, contributing to service related initiatives, forming healthy, production relationships with teachers, peers and other members of the school community are just a few examples indicative of your collective successes. What is most impressive, however, is the investment you have made in making good decisions, the kinds of decisions that have kept you and your classmates safe.

While there is much for you to be proud of when reflecting on your senior high school days, there is nothing more significant than those gestures of kindness shown to others and the numerous times you made yourself accessible to assist friends in need. The things I speak of do not show up on report cards or transcripts, but have everything to do with what you have learned as it pertains to making our school and community a better place for teaching and learning. Additionally, this becomes a reliable indicator for future achievements.

Each year there are members of the graduating class who have excelled in the academic classroom, on the athletic playing fields, on the stage with the theatre or performing with our various instrumental and choral groups. These individual accomplishments are significant, well earned and appropriately acknowledged. While many public secondary schools choose to measure their success through the achievements of their top echelon student athletes, class leaders and talented performing arts scholars, at Milford High School, it is important for us to acknowledge that many of our graduates earned a diploma while having to overcome difficult circumstances in order to graduate.

Your teachers, counselors, parents and friends know of the specific obstacles that various members of your class had to overcome in completing the requirements for graduation, including passing the MCAS Exam. There are some incredible stories, indeed, documenting how many of you persevered in overcoming hardships to make it to the podium. For those of you who can identify with the circumstances I speak of, we want you to know that your diploma is valued no less than our gifted and talented graduates. This is what we believe to be the essence of public education and is clearly articulated in the mission of our school.

In wearing the red and white caps and gowns on graduation day, you are all valued equally. We are proud of each and every one of you. It is important that you understand the significance of a high school diploma in that it represents hope, possibilities and the acquisition of a foundation of knowledge which can inspire the desire for continued education, not just for the acquisition of knowledge, but for it's application.

Hopefully, you will chose a career pathway that requires you to become a life long learner where you can enjoy your work while inspiring others to learn and do the same.

As you conclude the rite of passage from high school, you will no doubt, further develop existing interests, discover new ones, pursue career goals, , happen upon new goals and at times feel like you're getting nowhere.

Follow your heart, surround yourself with reliable people, remain close with family and friends. These golden rules, coupled with discovering early on, that the accumulation of material goods and

FRESHMEN

And so it began. We came into our high school careers short, brace-faced and unaware of what an adventure we had just undertaken. The school was huge, the upper clansman where huge, the work load was huge and the whole thing was terrifying. We got horribly lost, we struggled with persnickety lockers, and we were constantly thrown off by the rotating schedule. However by the end of the school year we had perfected our every day routines. We were taught by our many mistakes, and some nice upper classmen. We could walk the halls blind-folded, locker combos became second nature, and we had mastered the rotating schedule. It took some time but we had become high schoolers through the trials of this first year, only three more to go!

JUNIOR

Upper Clansman! The past two years had finally paid off, only one more year and we would be rulers of the school. First though we had to make it through SAT's, new dress codes, no second lunch, a non-rotating schedule, A.P. courses, and Neel almost leaving early for college. With school work going to a whole other level we toughed it out for the sake of college. Not to mention the A.P. courses many of us we were taking for the first time proved to be harder than any honors class. It was hard work, but we got to play too. We had Junior prom and a chance to unwind and have a good time. By the end of that year the seniors of '07 had already left and we finally stepped into the role of seniors '08!

Class History

SOPHOMORE

We came back for our second year (believe it or not) ready. Our first year had taught us the every day struggles of classes, but as we were just feeling comfortable in high school life the MCAS came along. For three days we were haunted by little bubbles and the reading sections on synesthesia. At least before the horrors of state provided testing we had the Ring Dance to enjoy. With our ties, for the guys, and dresses, for the girls, we received shiny new rings with huge stones and tiny little words on them. That night, with rings on hand (pun intended) we seemed to officially become the class of '08.

SENIOR

So this was it. We had reached the top, the pinnacle of our high school years, and it felt good! Even though they gave us new lockers, did not give back second lunch, started scanning IDs at lunch, and the schedule still was not rotating, we dealt with it. We were amongst the few who survived code 1, and an epidemic of staph. It was a tough year for us all. In between college and graduation and every thing else the last year of high school brings it almost drove us off the edge. Nevertheless all that hard work we did have its perks. We had the Senior Formal, Senior Prom, and our school year ended before every one else's, life was sweet. The class of '08 was finally enjoying the fruits of the past three years. Graduation finally did come and ended the lives we had made here at MHS. It was a bitter sweet departure from this place. We were leaving behind friends and places we had grown to love, but we took comfort in the fact it can only get better from here!

DESTINATION...

"**Life** is a *journey* in which the paths we take, what we look back on, and what we look forward to is up to us. We determine our **destination**, what *kind of road* we will take to get there, and how **HAPPY** we are when we get there."

Our road through high school has finally come to a dead end. Looking back, it's hard to remember our lives as freshman, the road kill of the school. Stepping through the front doors for the first time was intimidating, having to encounter the mighty seniors, with their flashy license plates, apathetic attitudes, and adjusting to a new system was even more difficult. The bell system was wacky, our workloads were heavier, and our classes lasted much longer. And who can forget taking the bus to school or getting dropped off by the 'rents? But freshman year wasn't all a downer. We were introduced to the wonderful MHS cafeteria, which provided us with a variety of snacks, ice cream, bread bowls, salad bars, and French fries galore! Some of us experienced comradery on sports teams, met new friends in clubs and activities, and soon the class of '08 got comfortable in their new surroundings.

Sophomore year we were still stuck in the slow lane of underclassmen life, but we made the best of it. In November, our class had our first formal dance together and received our class rings. That night would be the last time we would be alone together until the day we received our diplomas. In May we suffered through the MCAS while the freshman, juniors, and seniors enjoyed the 11:00 am curfew. By the end of the year, we were all anxiously awaiting our title of upperclassmen. Those of us who were lucky enough to already get their permits were reluctantly taking the road by storm.

By junior year, we were already at the top. Most of us were in possession of our license, carefully abiding to the six-month rule. Kids were cramming excitedly into cars, taking road trips left and right. The idea of taking SATS was looming around the corner. More and more, people were asking the million dollar question, "Where do you want to go to college?" Although many of us were still undecided, panic could be stored away at least until after Junior Prom. Together, we danced the night away in our fabulous gowns and tuxedos. We, the class of 2008, were ready and willing to take the title from the seniors.

Honk your horns and rev your engines! The seniors are ready to d0min8. Our last year at MHS was upon us. We attended college fairs, meetings with guidance counselors, and school searches, but all we really wanted to do was have fun and enjoy our last year together. December 7th our class had a ball at senior formal but senior prom held no match. With diplomas in hand and keys in pocket, our class finally accepted reality and graduated from Milford High School with style. Now we must face our unknown destinations. Our future is in our own hands. Let's make the best of it, class of 2008.

On the morning of April 26, 2007, the MHS Music Department set off for New York City. After arriving, it was time to get all fancied up for Broadway. Everyone had a great time at either the Lion King, Rent, or Spamalot. The next day was the day of performances, where nerves proved to be no ailment as we all had great performances. That night we headed into Little Italy where we had great times eating chicken parm and “shaking our napkins.” The next morning we had our award ceremony at the Hard Rock. All three of the MHS ensembles that performed did exceptionally well, each receiving the rank of excellent. After the ceremony we hit the streets and explored Times Square. Later on that day we attended one of three workshops, acting, vocal, or instrumental. In an experience of a lifetime, students got

It was a very early cold morning but we were all so excited to be going away with out class... away from home. No one knew what to expect until we got there and was carrying our heavy luggage up icy dirt hills. It was going to be tiring, and cold, but a fun week. We would start off our day by 20 of us in a cabin, two minute showers, and bundle up in 15 layers. We would have our breakfast and give our ORT reports, then go off on various activities like climbing mountains and starting fires. We then would break off in activiteis like making edible boogers and playing the game survival of the fittest. Looking back on these pictures we all had the times of our lives and this trip came to an end too fast.

Seniors '08

This is who we were, this is who we are.

Destination: Capitol Hill

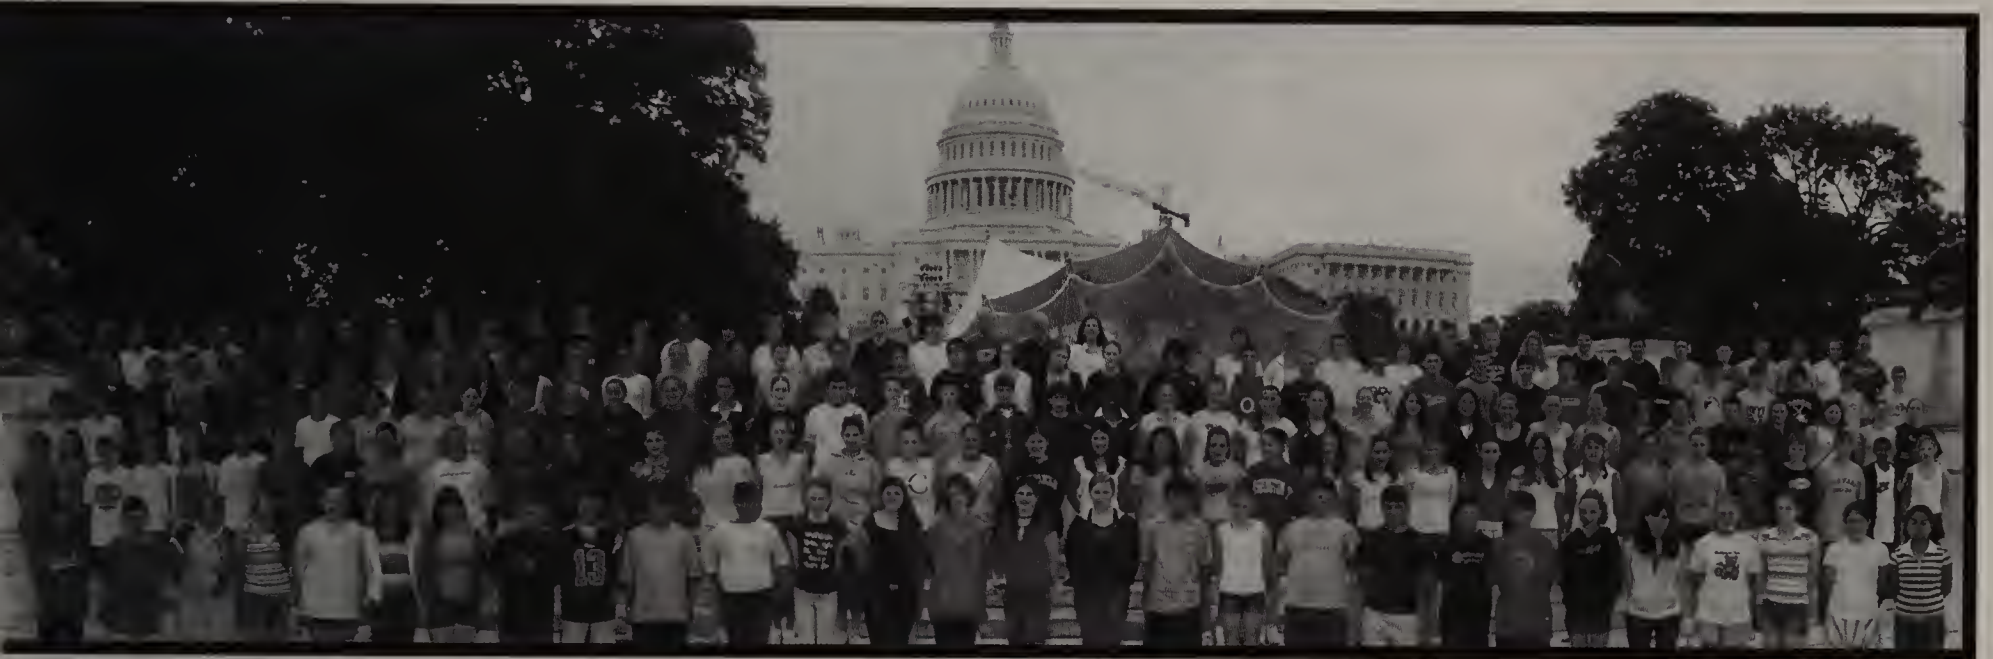

Washington D.C., the most important city in the nation. The highlight of many of our years was our trip to this amazing place. During our weeklong stay here, we visited many prominent landmarks such as the Lincoln and Jefferson

memorials, as well as the sad war memorials of Vietnam and Korea. Our trip was not all tourism however. We enjoyed a pleasant dinner cruise along the Potomac River. No one who attended will soon forget the sights and time we share in this beautiful city.

Be wise in the use of time. The question in life is not "how much time do we have?" The question is "what shall we do with it?"

Ring Dance

Harvest Dance

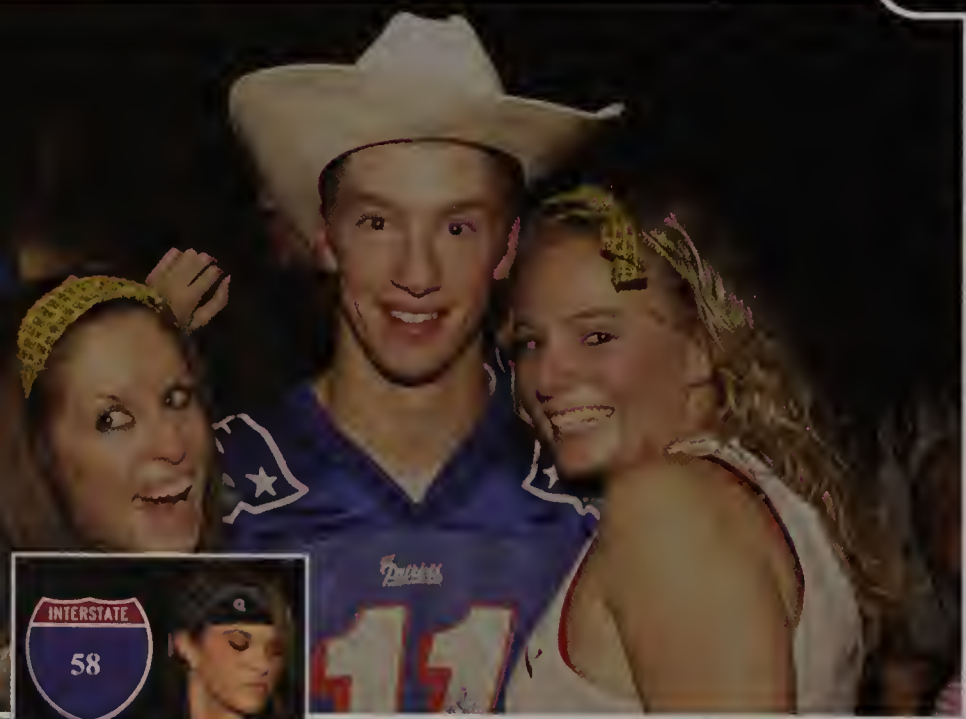

The night may have been cold but inside at the harvest dance, the temperature was rising! Not only did we have a great turnout this year, but it brought in a big chunk of change for the student council, who hosted this year. We had everything from Quail Man to the Ninja Turtles, to even contestants from Legends of the Hidden Temple, recalling the good ol' days from our childhood. And for some reason, the 80's made a comeback, with at least half of the girls' costumes inspired by this flashy era.

The played some of the years biggest hits, and also a few old favorites like 99 Red Balloons, Cotton Eye Joe and others. Even the Dropkick Murpheys weaseled their way in there to pay tribute to the Red Sox, and of course, mosh pits ensued!

Harvest Dance

The night of the Harvest Dance was a night to remember. It was a fun night for everyone. The excitement was to see what everyone was dressed up as. From cows, to Cat in the Hat, and Samara from The Ring, everyone had a costume on from head to toe.

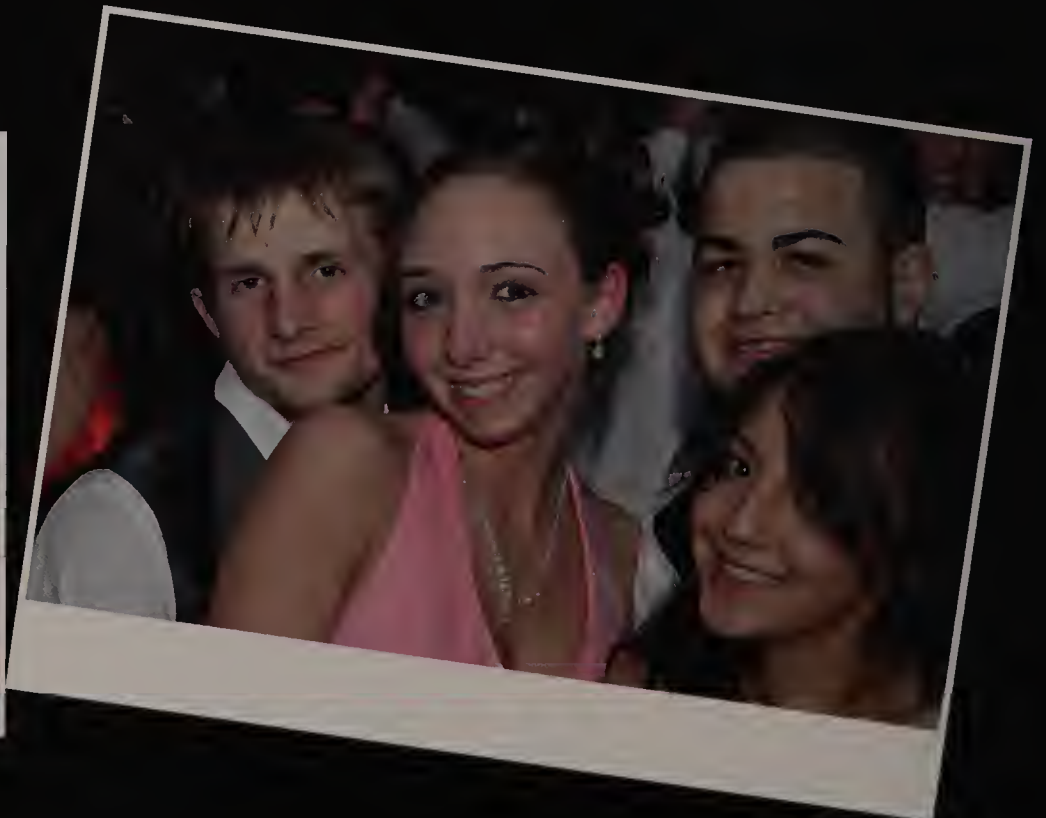

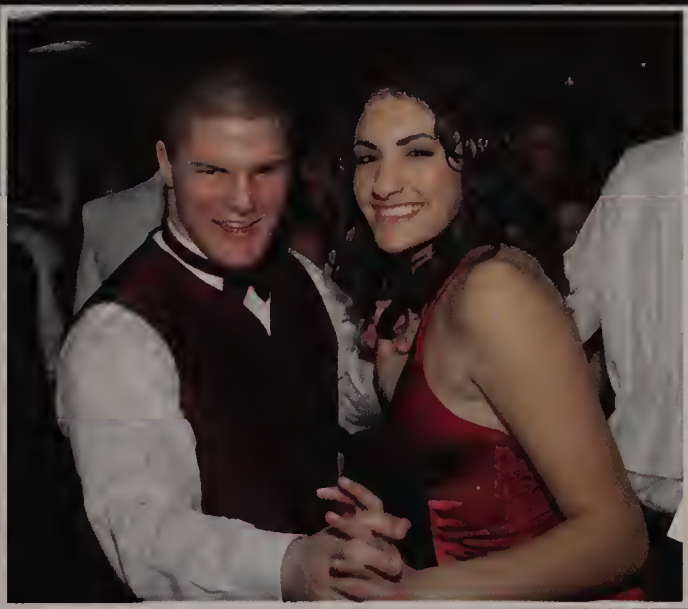

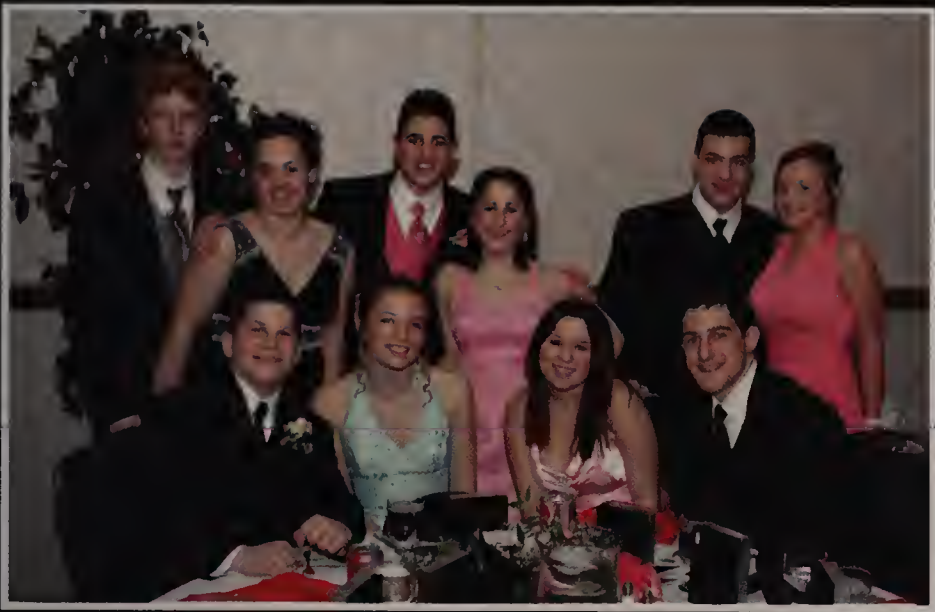

Destination: Christina's Junior Prom

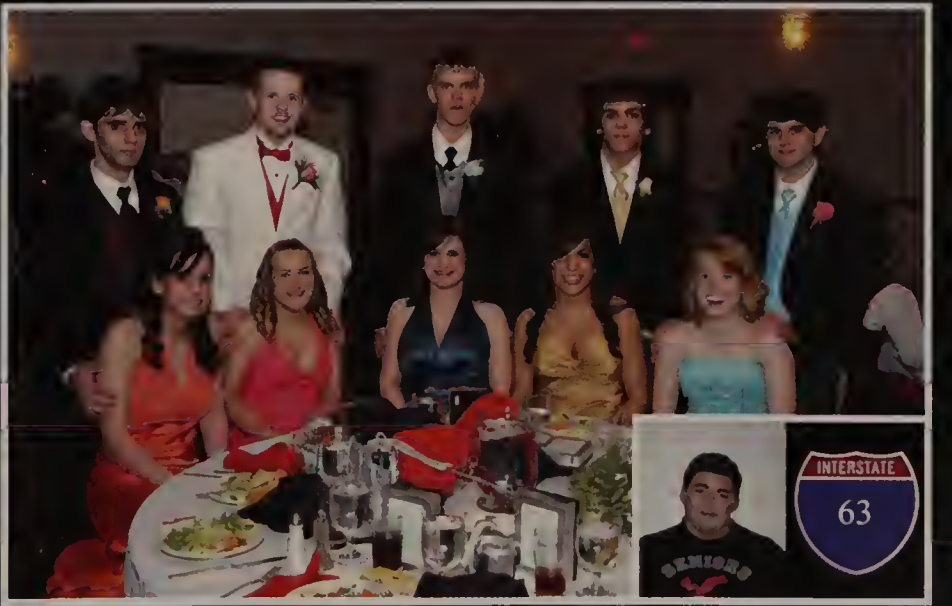

Junior Prom was surely a night the class of 2008 will never forget. The date was set for early March which we quickly marked on our calendars. When the night finally arrived, everyone couldn't wait to get dismissed and get their party on. We arrived at the

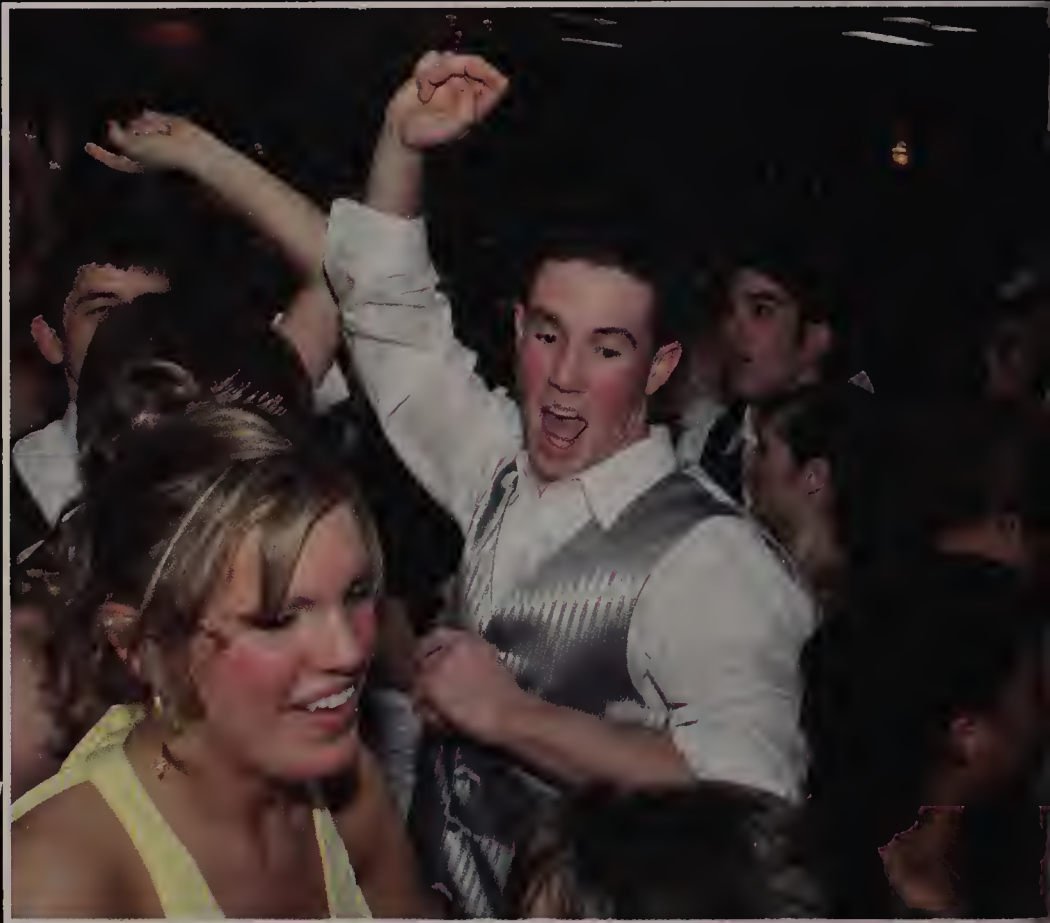

beautiful Christina's ball room by storm. Some took limos, others pimped it out in party busses. Whichever way was necessary, we made it to the prom and had the night of our lives.

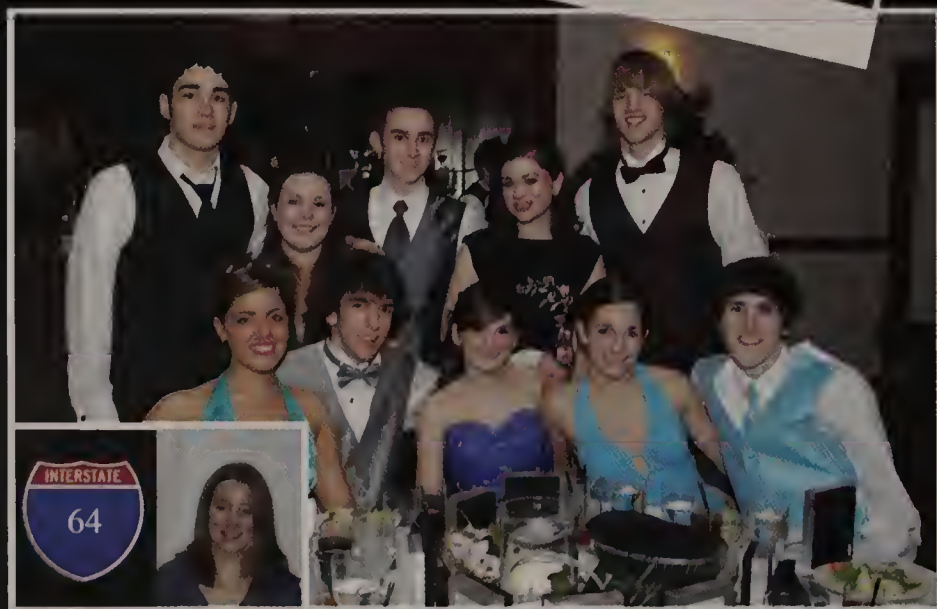

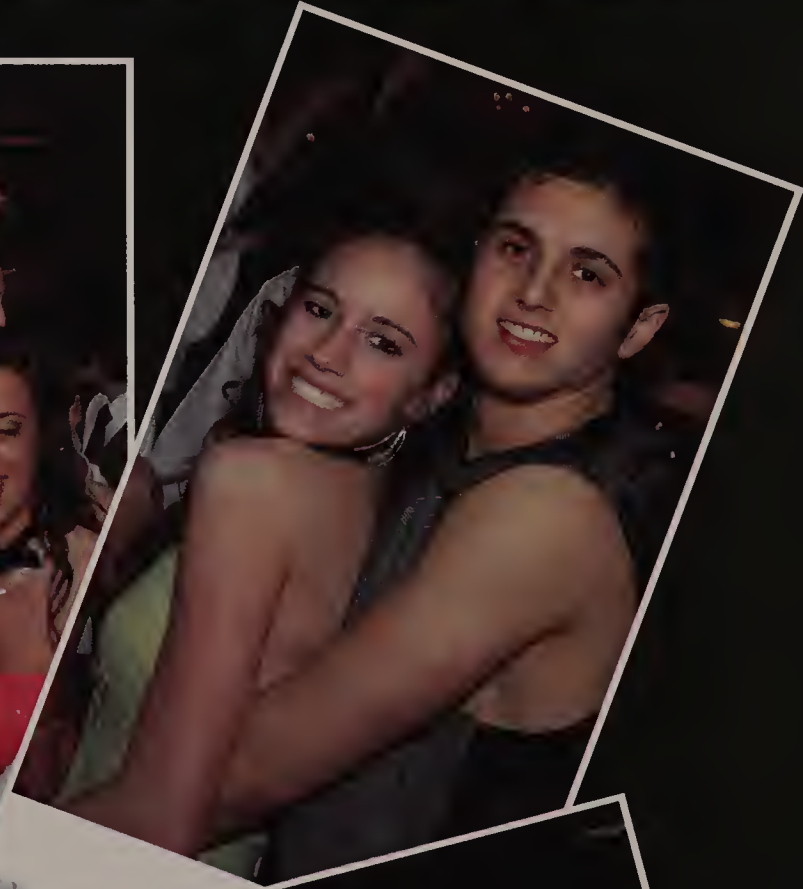

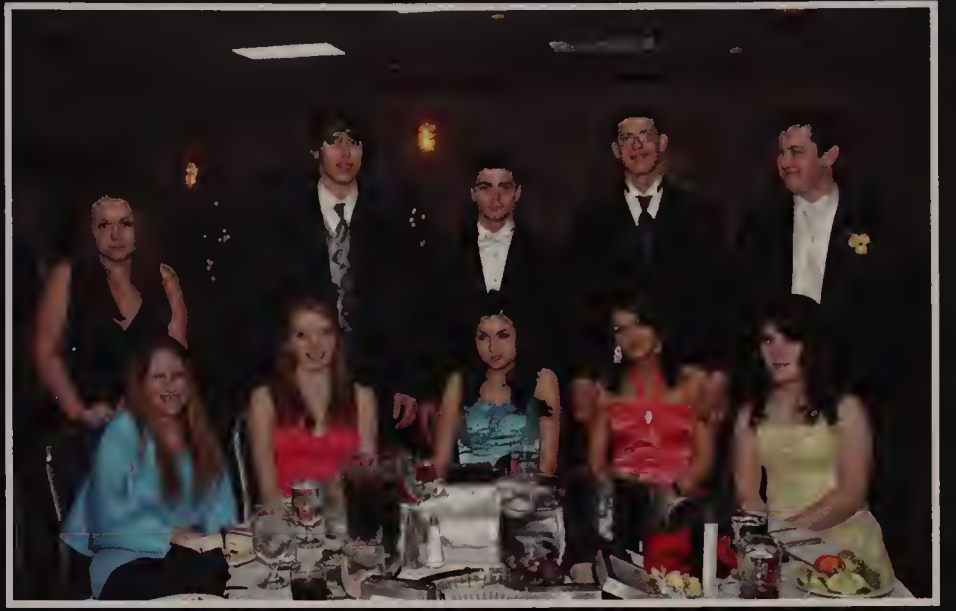

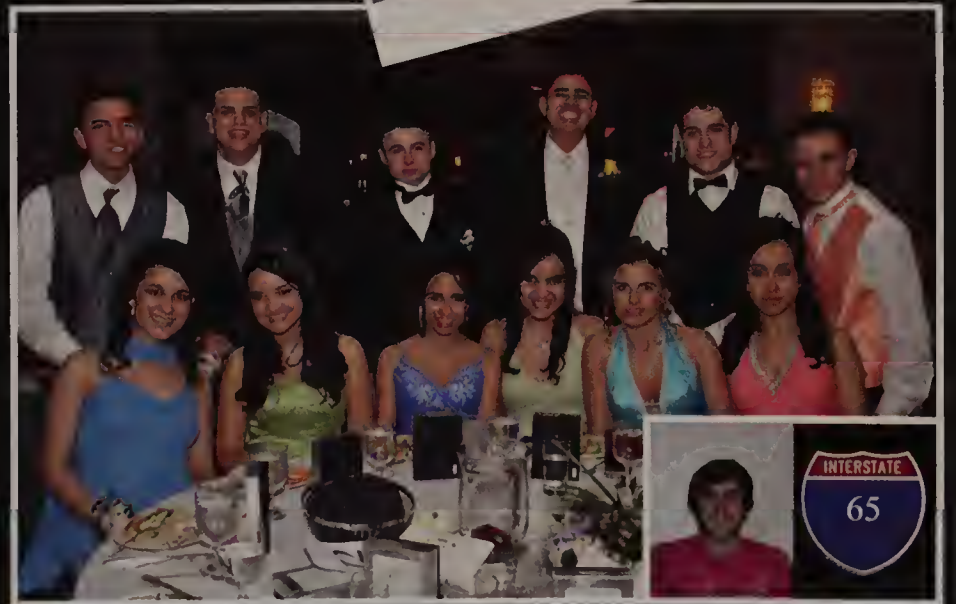

“Streetlight, people

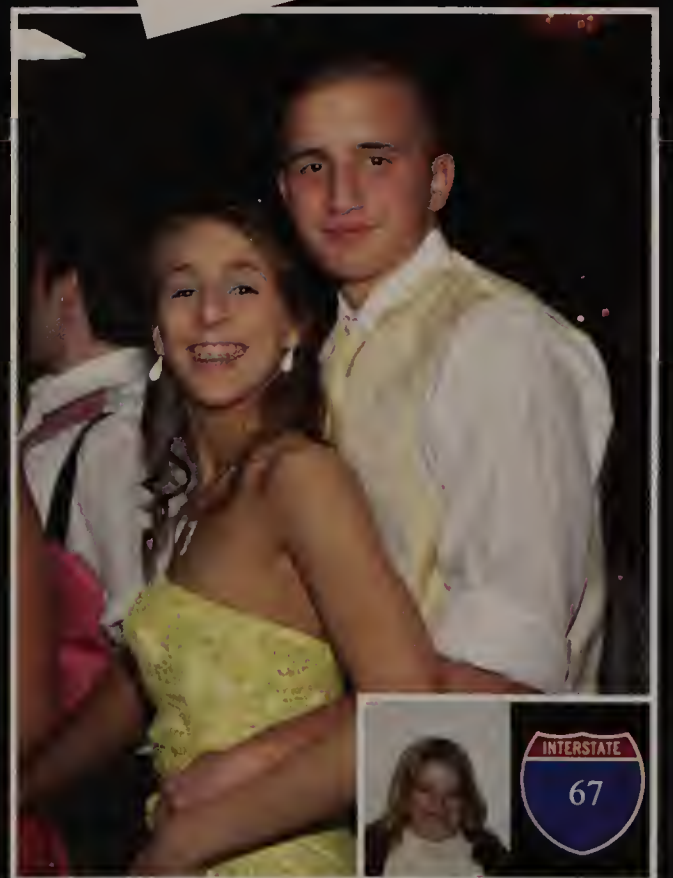

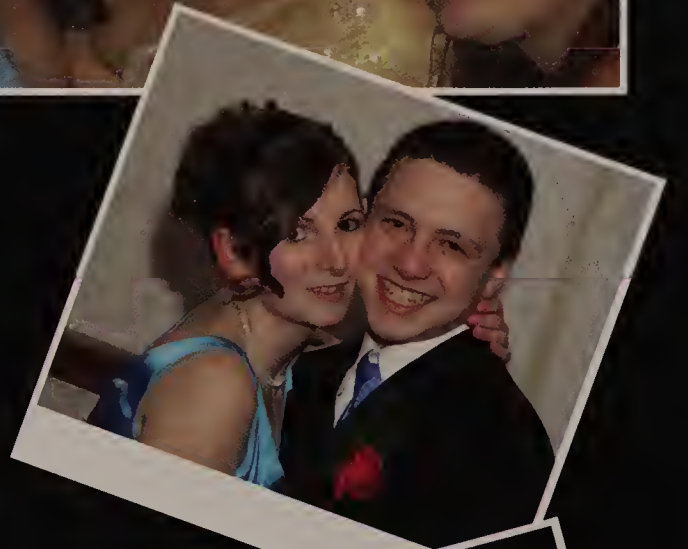

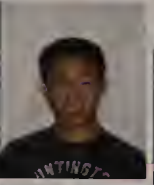

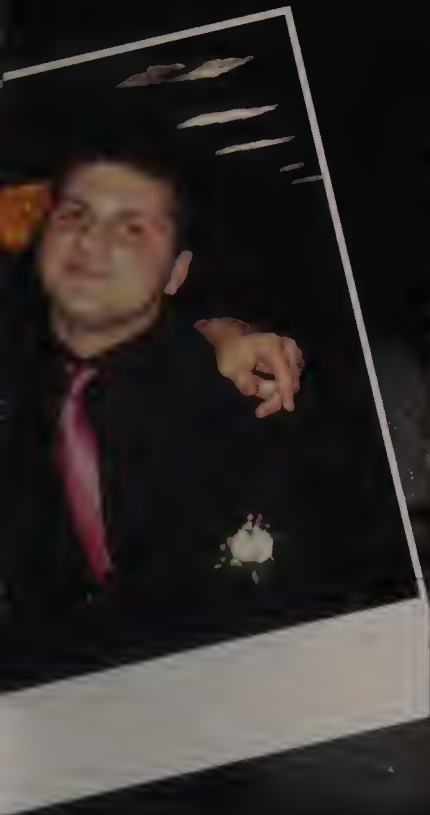

living just to find emotion..”

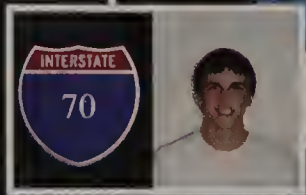

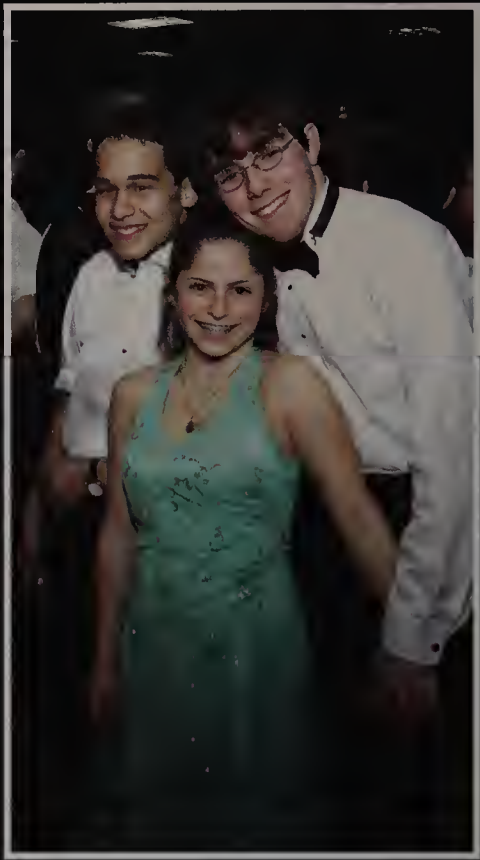

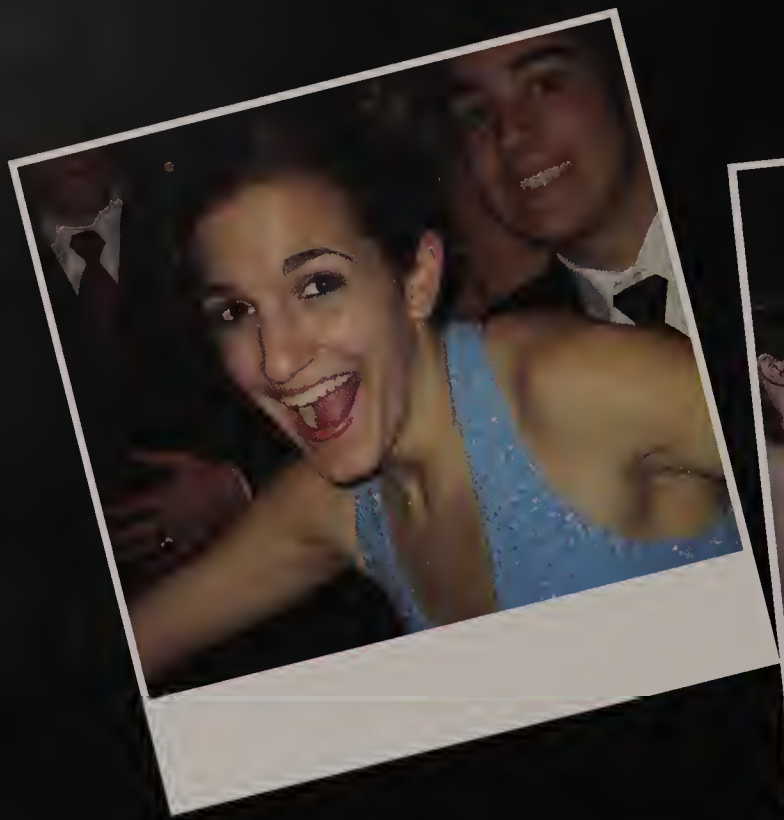

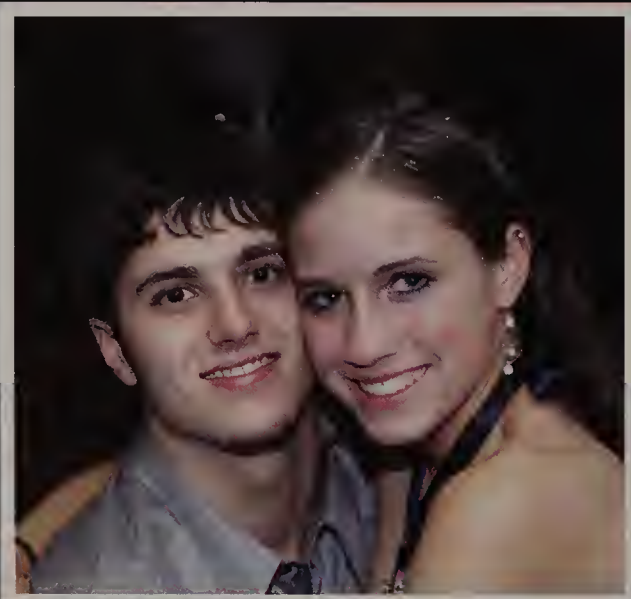

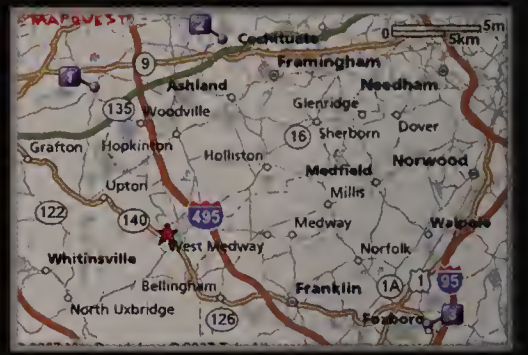

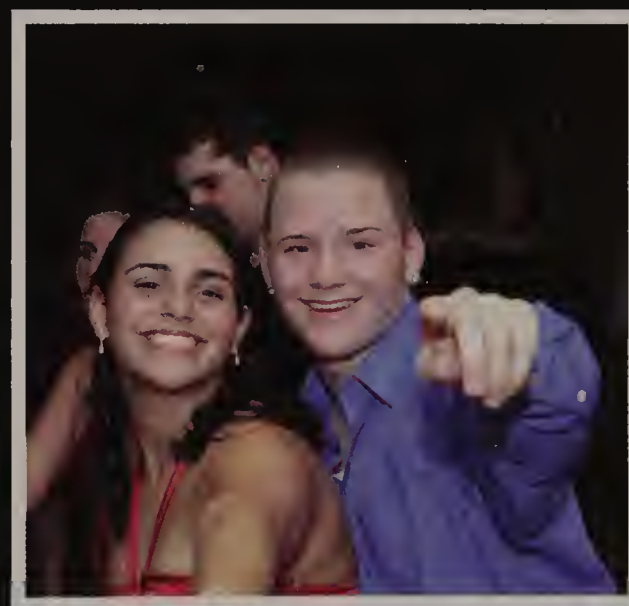

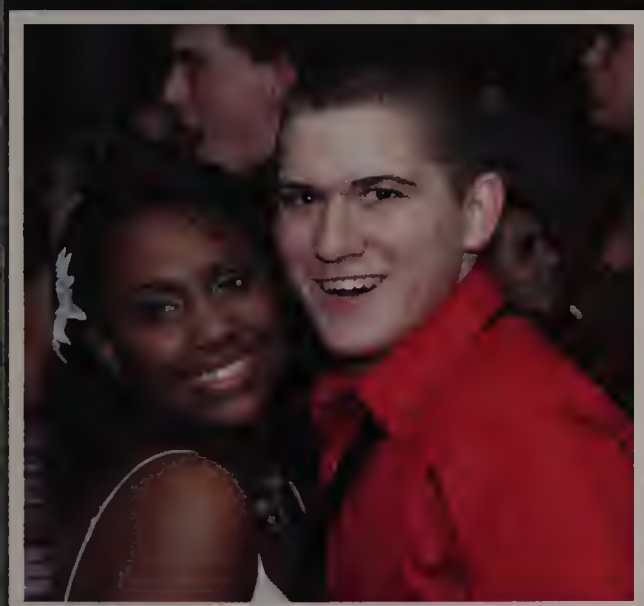

Destination: Winter Formal

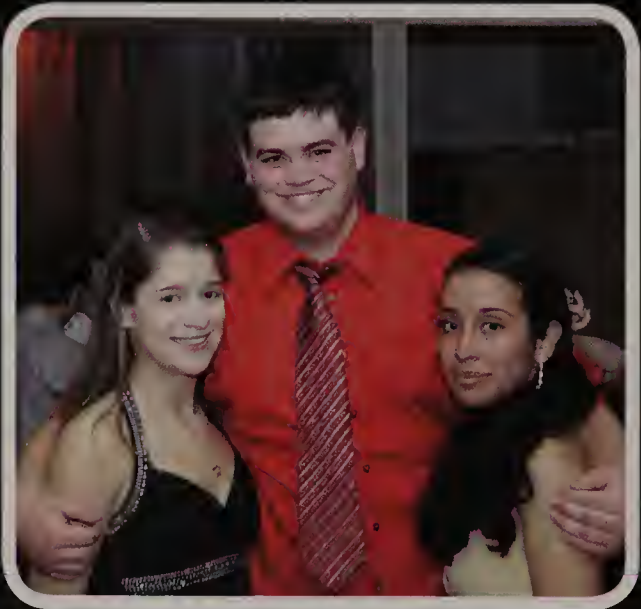

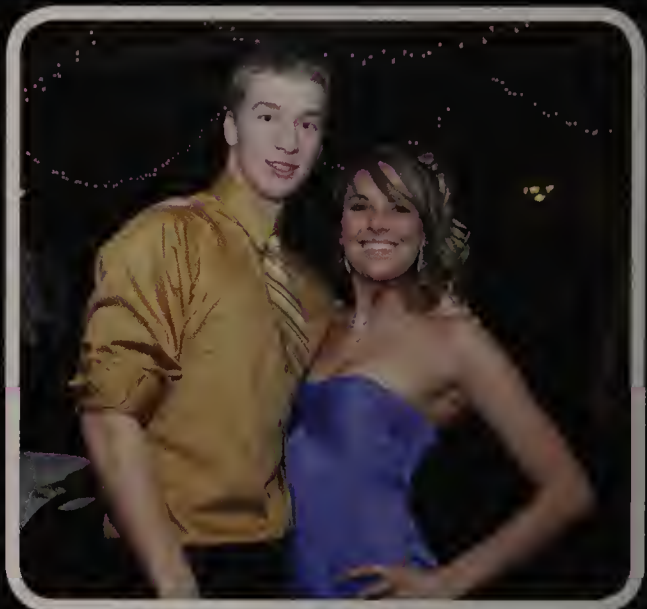

With our senior year already almost halfway gone, we chose to live it up at our Senior Formal. We all met up with our respective dates (or in one case inflated a date) and

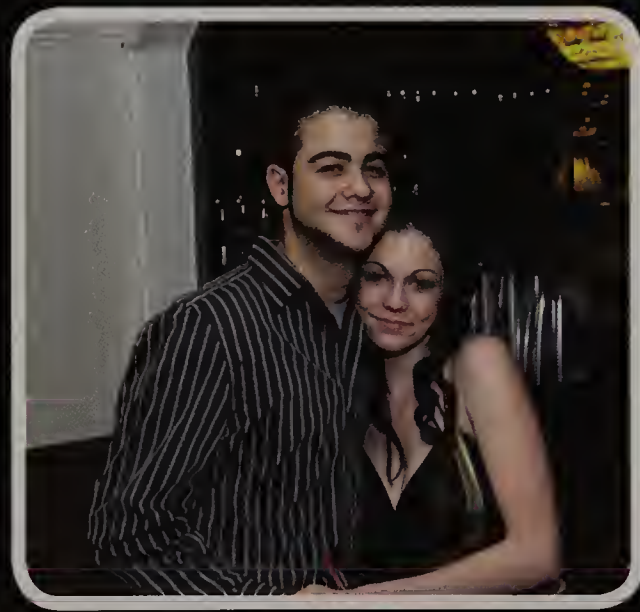

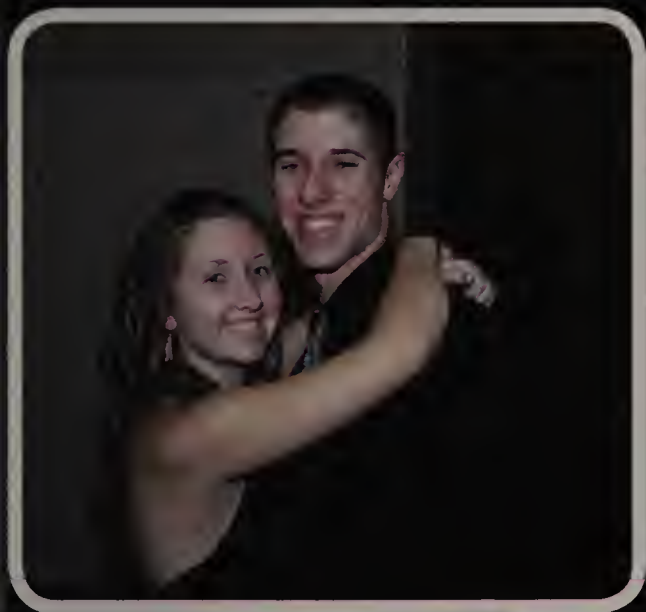

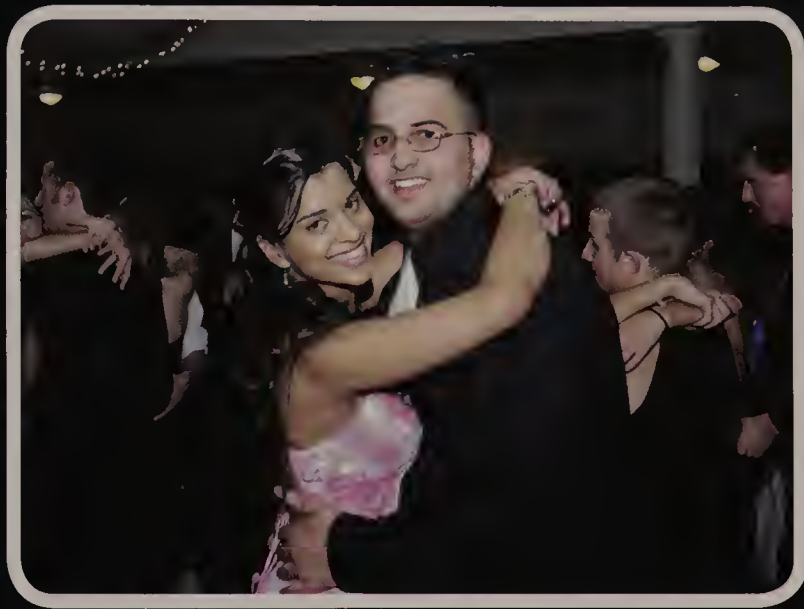

grit our teeth through thousands of pictures. Then it was time to brave the icy weather to go out for dinner in the many varied places which we did. Whether it was Italian, Chinese, or just plain steak, we all enjoyed to great food we had to kick of this memorable night. The Myriad Ballroom was our next destination. Here was housed several hundred bodies dancing crazily without shame. Somehow that old wooden floor stood the jumping of all those people without completely collapsing in on itself. At 11:00 PM the DJ called it a night and we left, sweaty, tired, and happy. Now we headed off for our final destination for the night, the After-Formal Parties. More food was eaten at the various places and then finally sleep came in the early hours of Saturday morning. This was a busy night, but it was one we will always remember.

Editor-in-Chief **Michael Pinto**

They say time flies, and high school is no exception. As we stood in the formerly green and orange halls of MHS, four years passed right before our eyes. We matured from young and impressionable freshmen to the mature (or not so mature) young adults we are today. Most of us can still remember our first days in this school, and it seems like only yesterday we entered it. Over these short four years, we discovered a lot about ourselves, our talents, our friends, and developed our identities. Who we are and how others see us for the rest of our lives is determined by our choices and reactions to the situations life throws at us. High school has presented many choices we have had to make which have made us stronger, better people. We entered the building as a group of shy, nervous freshmen, but left not as a group of graduates, but as a collection of individuals, no person quite like the next. And now, the time comes for us to move on to the next chapter in our lives, to college, the service or to the workforce. Whether or not we choose to admit it, we will all miss MHS. This is the place where we made some of our most cherished memories, and where we discovered the people who matter most to us in our lives. Unfortunately, many of these people we may not see for years to come. College and work tends to separate people as they

head off in different directions with their lives. That is what makes the yearbook so important. Inside the many pages of this volume are etched our memories, our accomplishments, our lives over the past twelve years. Before we know it we will be in college or joining the workforce, and in a blink of an eye, we'll be starting our own families. Some day soon, we will all be showing our children our yearbooks so they can see who we were, what we've done, and who we have become. They say time flies, but at least we can make the most of that time and cherish our memories forever.

Co-Editor **Erica Dunton**

It has been a long four years and we thought it would take forever to get out, but in reality it went by way too quickly. It seems like yesterday we were walking in as freshman. From Harvest Dances and class rings, to Proms and Formals, the memories just kept piling up. It has been more than just school; it has been sports, friends, relationships, club meetings and even breakups. As a class we have all pulled through to make these years count. So senior year started and we were all pumped for it to be our last year, here, at good ol' MHS, especially with all the

SATs we had to take and applications we had to fill out. By the beginning of second semester, days were running together and we were all too lazy to do anything. Even with a bad case of senioritis, we all knew what we had to get it done. After school practices, games, and competitions soon came to an end and we all had to get ready for the busy months up ahead. Although these last four years weren't easy by any means, they were the most unforgettable and meaningful years of our lives. Good luck with everything life has to offer you and make the best of what you have!

AMNESTY INTERNATIONAL

Michele Golonka-President, Kathery Camacho-Vice President, Caitlin Millett-Treasurer, Tatiana Mercado, Eric Rodriguez, Scarlett Gerami, Christina Fleury, Carrie Stanton, Jenna Nelson-McMichael, Safiya Mutawakil, Melody Camacho, Jessica Mirabal, Tania Torres

Amnesty International is an organization which works to defend human rights and protect lives around the world. We've been participating in letter writing campaigns which advocate to free prisoners of conscience, abolish the death penalty, stop violence against women, and ensure that every person enjoys full human rights. This year we have focused on human rights violations in Darfur, and wrote to support of the Treaty of Women's Rights and the Landmine Control Act. We celebrated International Human Rights Day on December 10th by hosting a very successful Write-A-Thon, in which we sent over 250 letters.

STUDENT LEADERSHIP COUNCIL

The Student Leadership Council consists of the officers and representatives of each class. They meet every week to discuss multiple school related issues, for instance community involvement (fund raisers, community service) and student activities, such as proms, Mr. MHS and talent shows.

Seniors- Nicolas DiAntonio, Neel Hajare, Erica Dunton, Kristen Morcone, Brian DaSilva, Michael Fernandes, Alex Murray, Patrick Quinn, Jennifer Stand, Brian Zanella

Juniors- Emilio Santiago, Carolyn Iacovelli, Alex Sannicandro, Kate McCarthy, Dana Auger, Shane Bowen, Monami Choudhury, Emily Grill, Lindsay Reynolds, Stephen Shaddock

Sophomores- Jenny Parsons, Samantha Titlebaum, Liane Vieira, Elizabeth Fernandes, Jacob Brucato, Devon Edwards, Andrew Mazzuchelli, Jack Murray, Saadiya Mutawakil, Michael Spates

Freshmen- Jimmy Malnati, Timothy Hulyk, Eliza McCoy, Andrew Baranauskas, Cassandra Cuddy, Courtney Diniz, Elizabeth Flores, Holly Hajare, Steve Mullahoo, Zachary Tarolli

NATIONAL HONOR SOCIETY

The National Honor Society is a nationwide association sponsored by National Association of Secondary Principals. It is dedicated to promoting appropriate recognition for students who reflect outstanding accomplishments in the areas of Scholarship, Character, Leadership and Service. Membership in NHS is both an honor and privilege bestowed upon a student.

Samia Ahmed, Michael Arsenault, Christopher Asmar, Joshua Avery, Marena Batzanian, Lauren Besozzi, Rebecca Blackburn, AJ Bruce, Catherine Caruso, Devin Cassinelli, Anthony Celozzi, Christopher Chamberlain, Marcia Chong, Timothy Connors, Timothy Corcoran, Joshua Creely, Brian DaSilva, Gabrielle DeAngelis, Nicholas DiAntonio, Parker Dillon, Rafaela Dos Santos, Eric Driscoll, Erica Dunton, Shannon Fahey, Brittany Ferguson, Michael Fernandes, Barry Fitzgibbon, Samantha Glynn, Neel Hajare, Martika Jenkins, Jill Kearns, James Kent, Laura Kirchner, Luke Lanciano, Jacqueline Loiselle, Mia Lopes, Laurie MacMannis, Lizzy McNevin, Ethan Messenger, Kristen Morcone, Patrick Moynihan, Alex Murray, James Myatt, Andrea O'Brien, Lisa Peck, Michael Pinto, Patrick Quinn, Steven Ramos, Wilbur Selander, Ekaterina Shaikouskaya, Erin Shea, Julia Shinnick, Raveena Siegel, Cathleen Small, Jennifer Stand, Megan Sutherland

CULTURE CLUB

The Culture Club gives students the opportunity to explore different cultures in the community to see the similarities we share and learn to appreciate the differences. Activities for the club may include guest speakers from the community, student presentations about their culture, a field trip to an ethnic neighborhood and multicultural arts and crafts. Most importantly, the Culture Club celebrates the diversity in our school community.

Mock Trial

The Mock Trial participates in the Mock Trial Program administered by the Massachusetts Bar Association and sponsored by the law firm of Brown Rudnick. This is a statewide program currently in its twenty-second year. The participating schools are divided into sixteen districts and compete in a preliminary round of three trials. The trials are based on a fact pattern created by the Mock Trial Committee of the Massachusetts Bar Association. The trials require the students in the participating schools to act as attorneys and witnesses, conduct witness examinations, and deliver opening statements and closing arguments. The competitions occur in actual courtrooms and are judged by volunteer attorneys, clerk-magistrates, and sitting judges of the Massachusetts Trial and Appeals Courts.

Amanda Asam, Rafaella Dos Santos, Kara Farese, Holly Hajare, Neel Hajare, Luke Lanciano, Pat Moynihan, Jenna Nelson-McMichael, Arianna Niro, Zeina Sader, Ekaterina Shaikouskaya, Tony Shi, Sara Slutz, Andrew Baranauskas

The purpose of Academic Decathlon is to develop and provide academic competitions, curriculum, and assessment to promote learning and academic excellence through teamwork among students of all academic levels. A regional contest is held the Saturday before Thanksgiving. The 16 schools with highest scores continue at the State Meet in early March.

CARE

C.A.R.E stands for Community Action Requires Everyone. This year was a very productive and exciting year for C.A.R.E. It was kicked off by a car wash to help support good causes. The annual senior citizens breakfast in October helped bring people of all ages together, while the Thanksgiving food drive supported the Milford food pantry with plenty of food for the holiday season. Throughout the year, many smaller activities at the Geriatric Authority, the senior center, and around the school kept the C.A.R.E members busy. There was enough interest at the end of the year to support two relay for life teams, which raised over \$2,000 to support cancer research.

Special Olympics

For many individuals, the Milford Special Olympics are all about overcoming obstacles while making memories through successful experiences in sports. As these individuals achieve their goals, they grow socially and physically. The passion displayed by our athletes is shown through the courage, enthusiasm, and team spirit, on and off the field. Treasured memories are made from training, competitions, and spending weekends at the Special Olympic State Games. These experiences lead to bonds between our athletes, coaches, and volunteers that will last a lifetime.

When tomorrow starts without
me and I'm not here to see...
If the sun should rise and find
your eyes filled with tears for me,

In

I wish so much you wouldn't cry
the way you did today...
While thinking of the many things
we didn't get to say.

I know how much you love me,
as much as I love you...
And each time you think of me,
I know you'll miss me, too.

But when tomorrow starts without me,
please try to understand...
That God came and called my name
and took me by the hand,

And said my place was ready
in heaven far above...
And that I'd have to leave behind
all those I dearly love.

CAPTAINS

With 22 seniors lost to graduation, no one knew what to expect

from the 2007 Milford High School football team. As the season began to unfold, much of the team shared this confusion as they suffered two tough losses to Eastern Massachusetts foes Bellingham and Franklin. However, the team turned a bleak situation into something to be proud of as they pulled off an impressive three game win streak to create a solid 3-2 record. The team, unfortunately, would eventually lose five of the remaining six games on their schedule and finish with a 4-7 record. Nonetheless, the team had plenty to celebrate about as they capped off their home season with a 20-0 shelling of cross-state rival Gardner as well as nearly defeating Superbowl Champion Shrewsbury (15-7 loss) and Superbowl Runner-up Leominster (14-13 loss). They also

placed four players on the D-1A league all-star team (RB Tom Kane, DE Steve Straponi, OL Pat Quinn, and LB Nick DiAntonio) as well as having Nick DiAntonio be named the D-1A Defensive MVP for the second year in a row. The future of Milford Football looks bright, and will no doubt be contending for the Superbowl title for years to come.

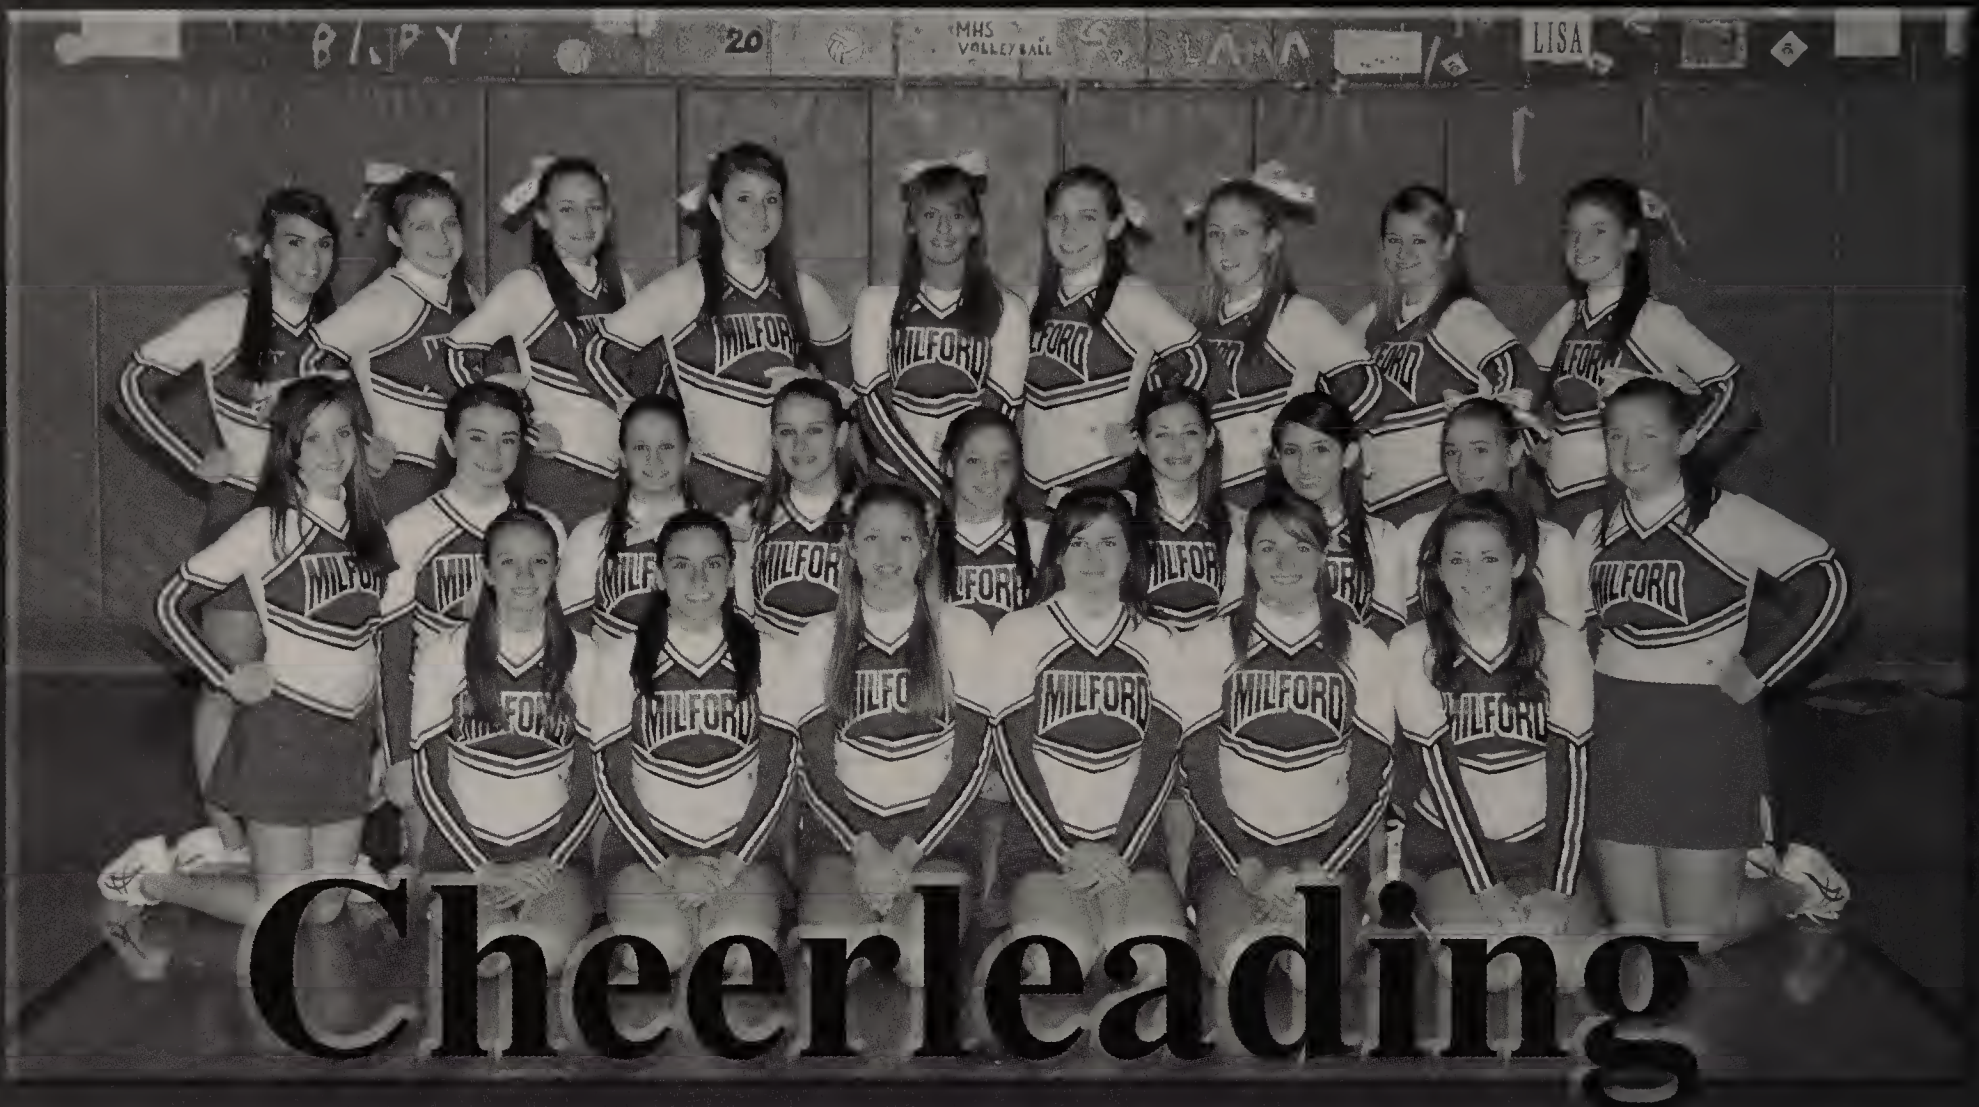

The team would also like to thank Coach John Dagnese and Coach Nick Zacchilli for their overall dedication and would like to wish them the best in their retirements.

The Milford High School Varsity Cheerleaders led by coach Heather Johnson and seniors Heather Denman, Lisa Peck, Gabrielle DeAngelis, Shannon Fahey, Erica Dunton and Jami Riley came into the season with much potential and energy. Losing six very talented girls from the previous season, this team had many changes to make. They had positive attitudes, hard work, and determination. This team put alot of positive attitude and dedication into perfecting their routines, not only for the football games but for competition. Taking third place at our league competition gave us the chance to go to the Regional competition, where we were against some of the best teams in our division.

*G*olf, a true gentlemen's game. This year's season passed, as many before it have. Eight brave men set out in collared shirts to do battle with biting rain, harsh wind, and gentle slopes. Every ball struck by this team soared with all the effort they could put into it. Occasionally, putts did not roll quite as planned, but overall we had a very good season. The season ended with a 3-8 record This year's season passed as many before it have. and a 6th place finish at Districts. This season was not only well fought, but it was a lot of fun which made a fantastic final season for the three graduating seniors.

The 2007 Boy's Soccer team returned with 4 starters and 11 lettermen from their 2006 playoff run. There were high expectaions but the season started with an 0-2 mark. Following the opening loses, the Scarlet Hawks went on a 3-0-1 run after Senior Captain Brian DaSilva returned from injury. The defense was lead by Captains Maycon Malta and Brian DaSilva, as well as the two Senior goalies, Manny Amingwa and Anel Brkic. The midfield was controlled by Senior Captain Lou Gomes and Junior Bryan Damas. The goal scoring was left up to Senior Mario Sabadin and leading goal scorer of Mid-Wach A, Senior Captain Chris Swindell. With all of the upperclass leadership, the Hawks looked to be a front runner for the league title. After the tough-fought loses started to build up, what first looked to be a proserous season turned out to be a rebuilding year. The Scarlet Hawks ended the season with a 6-10-2 record finishing 5th in one of the hardest leagues in all of division 1 and only 2 wins shy of making the play-offs for the second consecutive year. The future looks bright for the hawks with lots of talented underclassmen.

With the third coach in the last four years, the 2007 Girls Soccer Team faced some major adjustments. This young team worked hard through difficult practices consisting of burpees and 300's, but never lacked motivation. The dedication and effort of this team resulted in a tie with powerhouse Shrewsbury, qualifying for the state tournament. Finishing the regular season at 8-6-2, this team has bright hopes for the future.

This year the MHS Cross Country team was made up of nearly 40 boys and girls. Hopes were high for the boy's team who lost only two seniors from last year and were returning all seven of its top runners. The season kicked off to a difficult start with a tough loss to league powerhouse Shrewsbury. The following weeks included a narrow defeat to Algonquin and a win over Fitchburg. The team finished with a 2-5 record heading into the league meet. On a rainy Saturday morning in Marlboro, the boy's team, lead by a break through 5th place performance by senior captain Mike Alley, took a respectable 5th place in the league. The girl's team faced a great challenge this season due to lack of numbers and experience. However, for what they lacked in these areas, they made up with hard work and determination. They went through the season with great spirit and succeeded in having a fun and productive season. The team traveled to several invitationals including the Ocean State Invite in Rhode Island and the Wachusett Invite. Throughout the season, all made great memories, including Ultimate Frisbee day, P-dins, and XC football.

Coach Guerra and the XC team face an uphill battle next season as they lose 4 of their top 7 runners. However the team feels they are up for the challenge as they plan to work hard this summer and continue to improve as a team.

Victory makes sense to a lot of individuals, few but many. Practices were grim, Za-Kill was brutal, volleyballs were lost, shoes were tightened. Game by game, the team got stronger & stronger. We made a name for ourselves, putting words to paragraphs. We entered the playoffs wanting more, seeking complete brutality. War was waged for rounds to come, our crowds alone spoke of championship – victory. All short stories come to an end at some points, win or lose we found ourselves, we found victory.

In their 2007 season, The Lady Hawks swimming and Diving Team overcame controversy in nearly freezing pools, the Soulja Boy Dance, and Bishop Feehan Academy (almost). They started with a bang when they topped Ursaline Academy who they have not beat in almost a decade. They flew through the rest of the season while staying properly satiated at McDonalds after nearly every away meet. And their only two losses came from teams which would subsequently go on to place first and second in the league and first and third at the MIAA division 2 state championships. One of the biggest highlights of the season was tying Bishop

Feehan who had previously been entirely unreachable to us. They went on to place second at the State Championships. Milford placed 6th in the state, due to the amazing performances of Captain's Jill Kearns, AJ Bruce, Lizzy McNevin, Jackie Loiselle, along with Alex Hipolito, Brittney Dupuis, Megan Kennelly, Dana Auger, and Ruth Forman, which included a record - breaking swim by McNevin, Bruce, Hipolito, and Kearns in the 200 Freestyle Relay, along with Kearns breaking her own record (as she did in the previous week at Sectionals) in the 200 IM. However the season was made by the effort by the entire team and this will be a year they will never forget.

If there was one word that could be used to describe the field hockey team it would be perseverance. The record of 0-17-1 does not do justice to describe what this team accomplished and what they were capable of. The team came out each and every day with a winning attitude and each game was a solid fight to the bitter end. Their weakness was scoring, but towards the end of the season with a few tweaks in the lineup, they started to score and each game was a nail bitter to watch because the outcome was unknown. They went from a team concentrated in defense, to a team concentrated in offense. They persevered each game, always challenging themselves and each other to improve and be the best they that could be and they never gave up.

They were just getting started when we ended the season but what they did for years to come was give Milford back it's fighting attitude and that is more valuable than any record will tell.

The Scarlet Hawks went through somewhat of a rebuilding year in the 07-08 season. After losing twelve seniors from the previous year, the team was left with little to no experience. Captain Noel Ramirez and Captain Jeff Edwards were the only seniors on this year's team. Junior Tim Welsh was also chosen as a captain. It turned out to be a tough season for the Scarlet Hawks, who finished with a 4-16 record. Despite having their first losing season in 25 years, Coach Steve Manguso and the team continued the Milford tradition of hard nose defense throughout the season and played with passion and heart all the way up to the last buzzer. There is also hope for the future as freshman Anthony Barry and Kyle Morgan showed huge potential. Michael Spates and Jimmy Ney stepped into huge roles as sophomores and Junior Terence Treh showed he could be a prominent scorer. With this talent, the Scarlet Hawks look to bounce back next year and bring the tradition of winning back to Milford.

The 2007-2008 Varsity Cheerleading Team had a drastic change over the two seasons. After a less successful fall season, the winter team made many adjustments and really stepped it up. With major changes in the routine, positive attitudes, more talent and outstanding leadership, led by Coach Heather Johnson, and senior captains, Erica Dunton, Gabrielle DeAngelis, Jami Riley, Heather Denman, and Shannon Fahey, the results of the winter season were outstanding! The team managed to finish first at the Medway and North Attleboro Invitationals, and second at the David Prouty Invitational.

At Leagues, the girls didn't hit a solid routine but pulled off a high enough score that placed them third in their League and advanced them to their Regional Competition. At Regionals, the girls did a phenomenal job and finished third, not too far behind Leominster High, who came in second. The team anxiously and willingly prepared for the State finals, which were held at the University of Massachusetts at Lowell, where they would compete against the best teams in the state.

The 2007-2008 girls varsity basketball season was filled with love, memories, and tears as the lady hawks fell short of post season, leaving their record at 9 - 11. The team was coached by Shannon Ryan and led by Captains Molly Malloy, Meagan Malloy, Kaitlyn Barth, Alex Murray and junior captain Kate O'Rourke. Coming out in only the second game of the season, against the rival Fitchburg, the Hawks showed much potential and determination for their upcoming season. On the final game, the seniors ran on the court with passion, in hopes of remembering their last game as a win. As the time dwindled on the clock, the gym filled with applause for the accomplishments the Lady Hawks had achieved.

The 2007-2008 wrestling season was a huge success for all of those involved with the team. Under the direction of second year head coach P.J. Boccia, second year assistant Rick Nashawaty, and first year assistant Shawn Mulvaney, Milford quickly emerged as one of the top programs in all of Central Massachusetts. Wrestling one of the toughest schedules in the state, the team was able to secure a 15-7 dual meet record, as well as obtain a second place finish in the Division 2 Central Sectional. The team gained

valuable experience by competing in such tournaments as the Framingham Holiday, the Weymouth Invitational and an individual dual meet against the Division 2 State Champions, Greater Lawrence. The team has much to be proud of and with only a few starters being lost to graduation, the sky is the limit for Coach Boccia's grapplers.

Individual success was also quite prevalent throughout the season as many of the Scarlet Hawks received personal honors. Named to the Mid-Wach All-Star team was David Pinto (119), Kevin Kissane

(135), Brett Morris (145), Nick DiAntonio (171), and Devin Callahan (285). Three members of the team attained the honor of "Sectional Champion" and they are: David Pinto, Nick DiAntonio, and Devin Callahan. The Scarlet Hawks also brought home their first Individual State Championship in over 10 years with Nick DiAntonio winning the Division 2 State Crown. David Pinto took home a 6th place finish at the Division 2 States, while Devin Callahan took home a 5th place finish. Nick DiAntonio also placed 2nd in the Massachusetts All-State Tournament, 4th in the New England Tournament, while also capturing his 100th career win early in the season. The seniors will be missed, but with the amount of talent in the room, Coach P.J. will find a way to make things work in the future.

This season, for the MHS hockey team, the players were forced to overcome a lot of adversity, which allowed the team to end the season as a strong unit. At 4-15-1, the team and the program itself made huge strides towards the future, with victories against Hudson Catholic, Tri-County, and Division 1 St. Joseph's, and a tie against BMR. The team this year was very young, with eight freshmen and only four seniors. With the strong play of freshmen Brett Lawson and Ryan Veducchio, along with the tough Matt Gerard and Alex Boudreau, the team has a lot of hope for the future. Led by Captains Patrick Moynihan and Kevin McCarthy and Assistant Captains Joe Mucci and Kevin Bucken, the seniors displayed both skill and leadership on the ice. The end of the year brought good news as three players were named All-Stars in the Russell Conference.

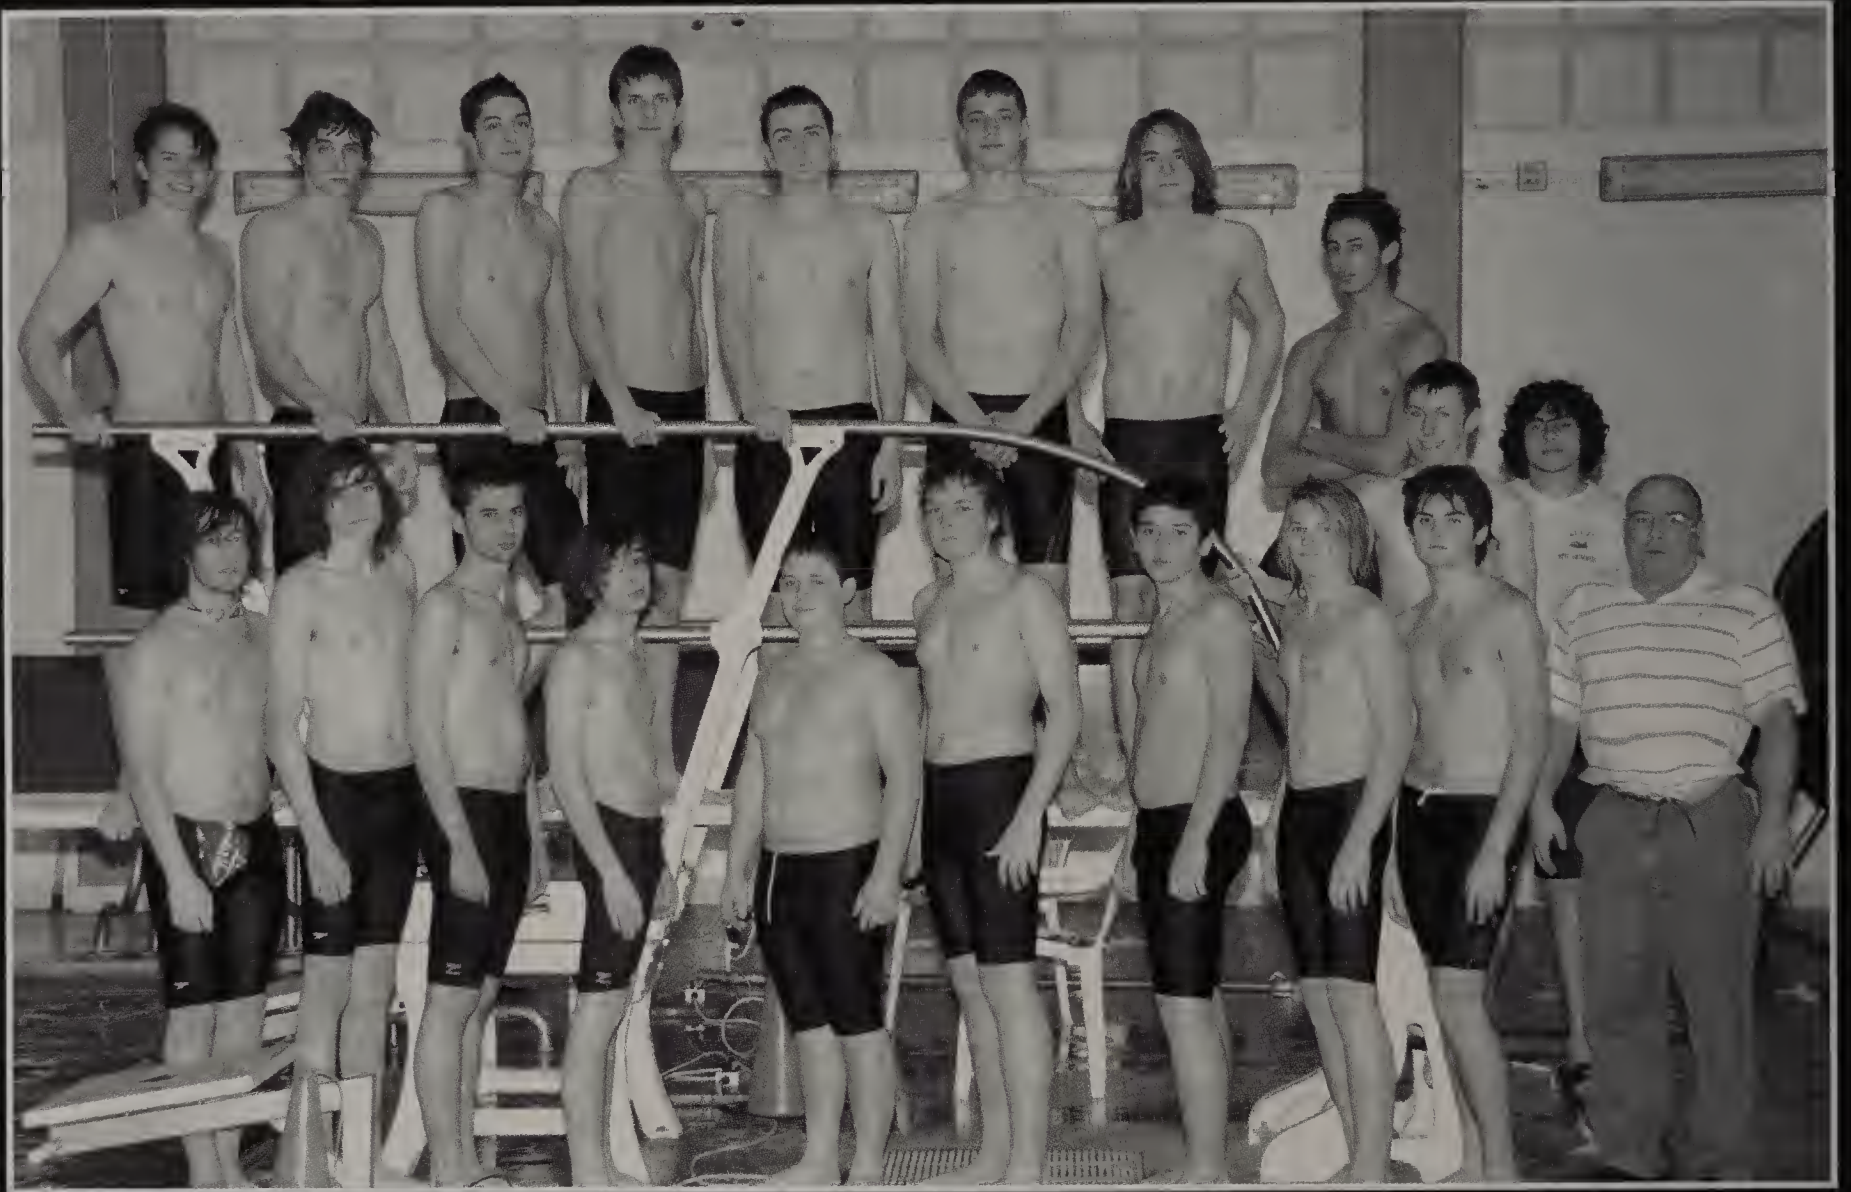

Seniors:

*Kyle Little, Pat Moynihan, Kevin McCarthy,
Joe Mucci, Kevin Bucken*

These players are Senior Patrick Moynihan, Junior Scott Stewardson, and Freshman Brett Lawson. With a few winnable games and a lot of young talent, the Milford High School Hockey Team has the ability to turn next season into a great one.

Seniors

Fernando DaFonte, Luan Corgosinho, Chris DosSantos, Tim Pettepit, Nick Doyle, Matteo BonTempo

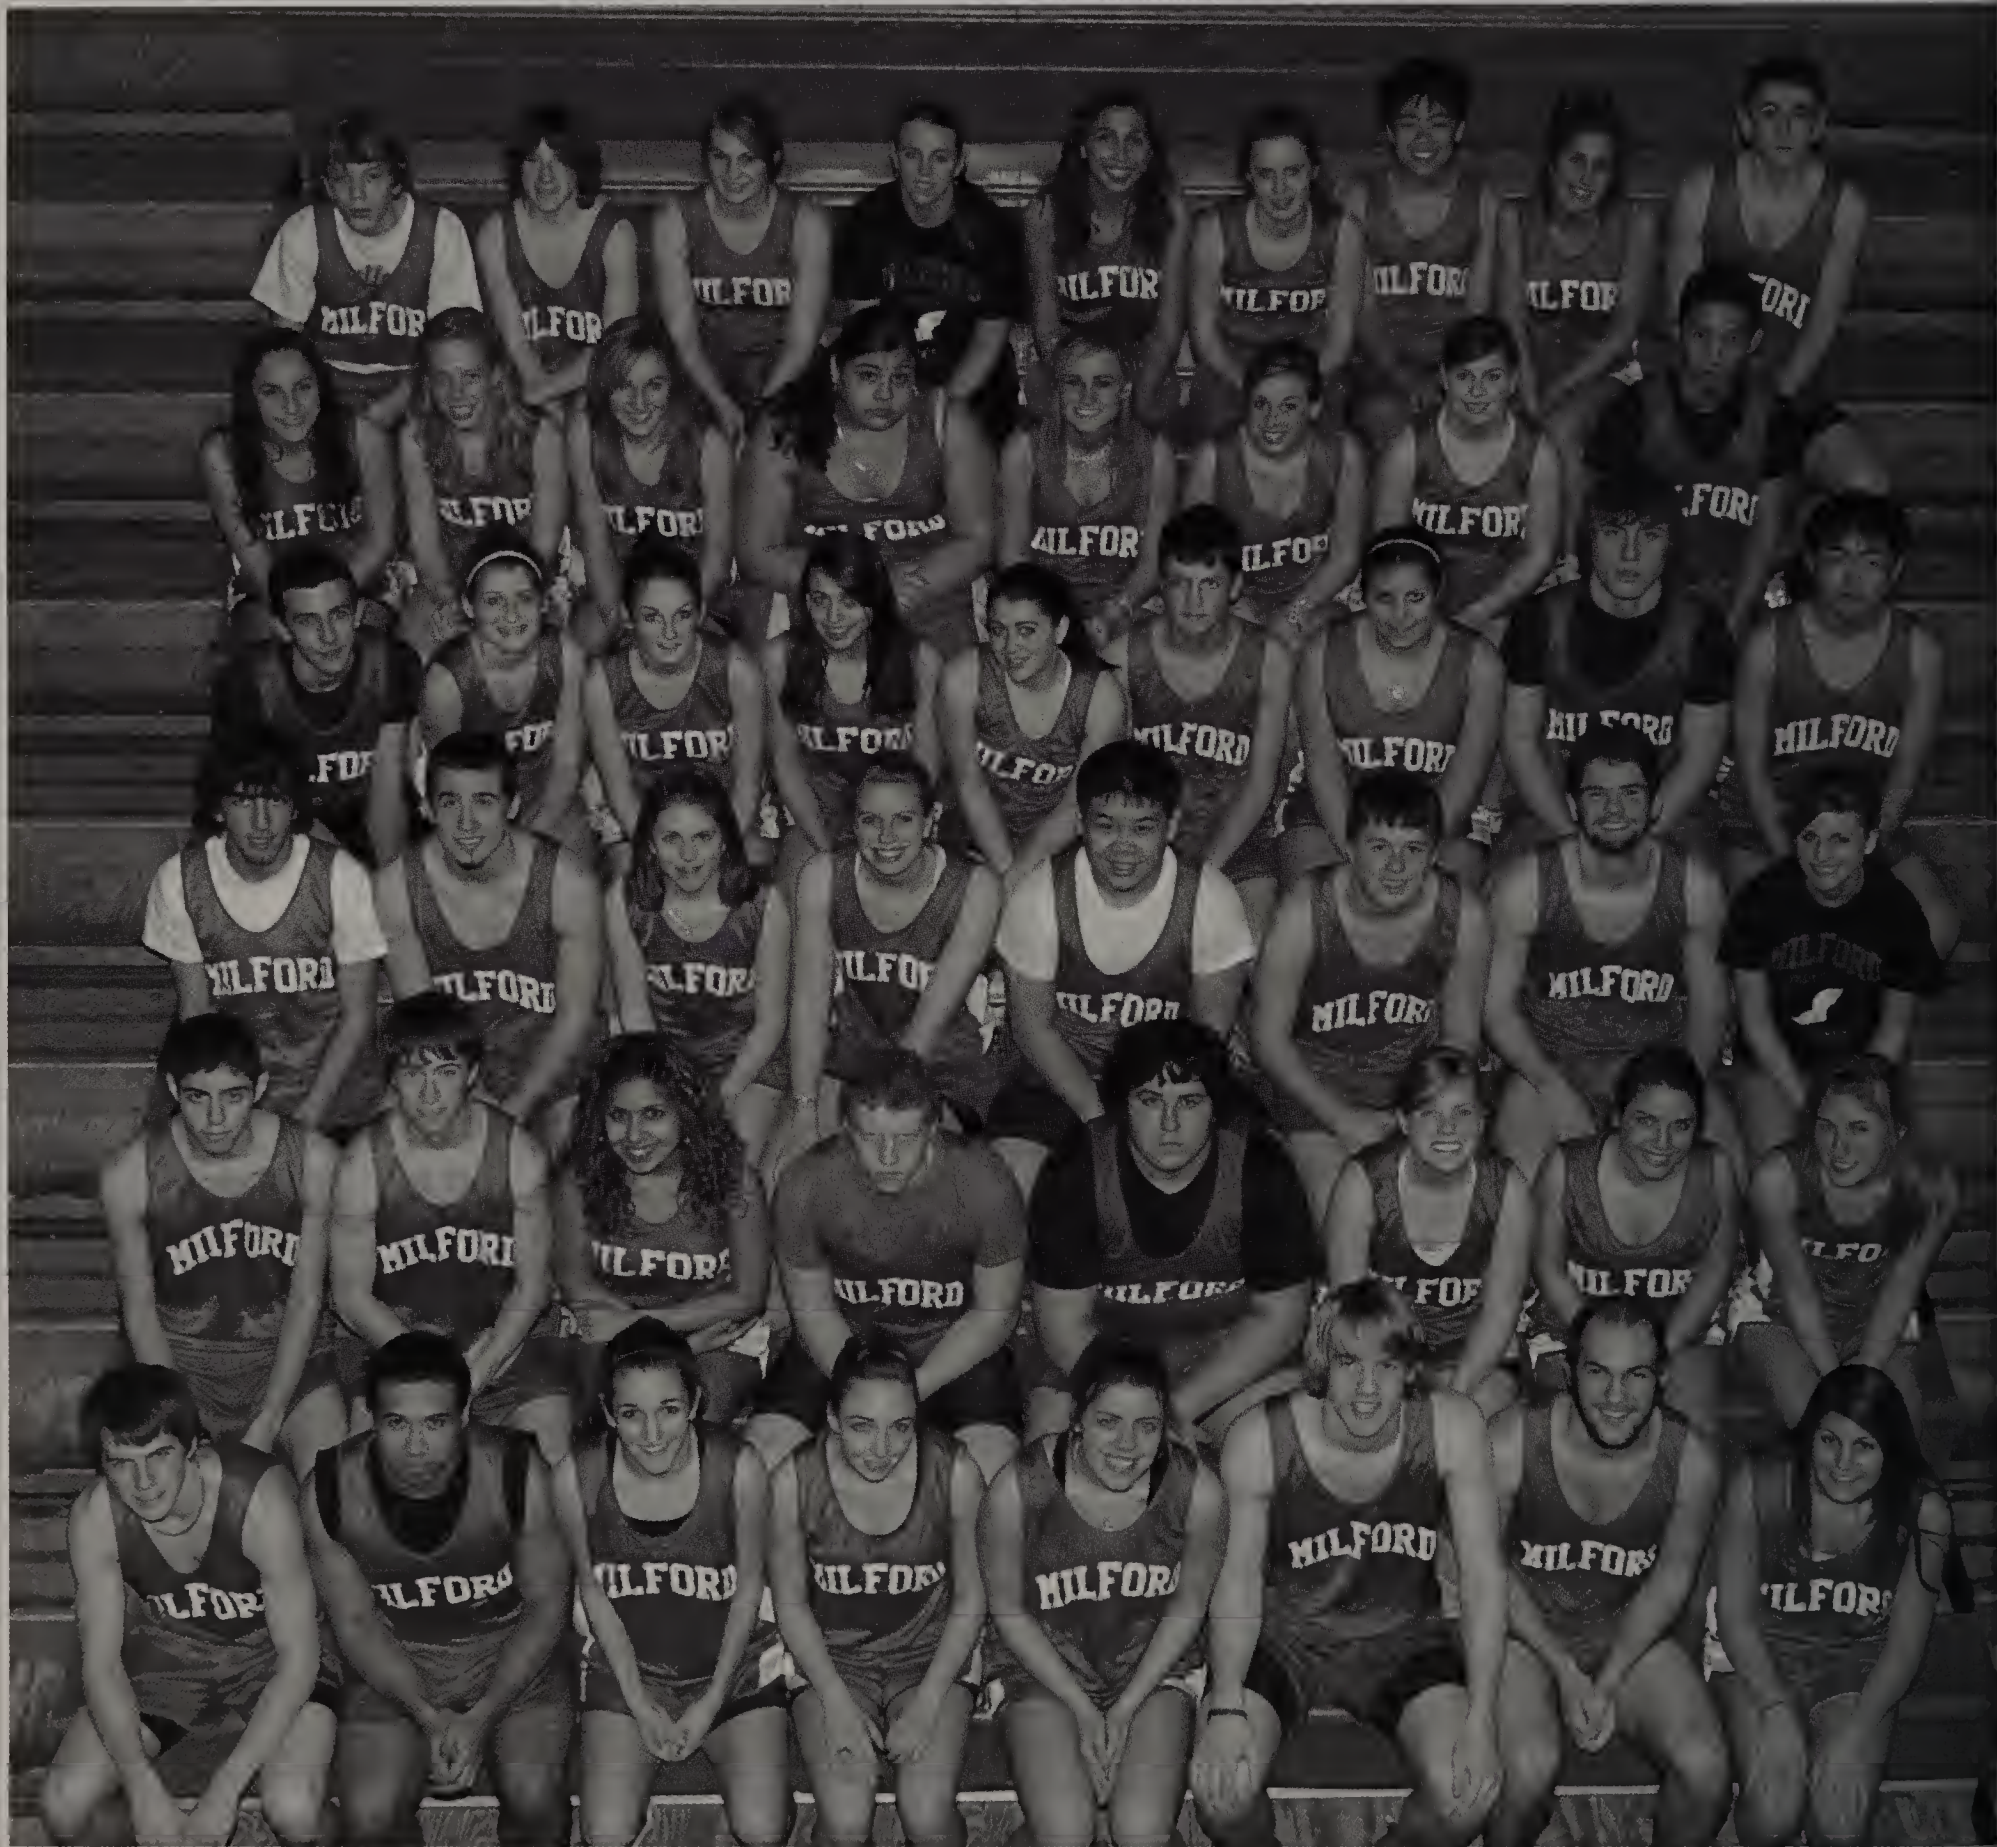

The boys 2008 swimming and diving season was exciting and successful. Every opposing team was met with confidence and effort. Practices were led by seniors Matteo BonTempo, Luan Corgosinho, Fernando DaFonte, Chris DosSantos, Nick Doyle, and Tim Pettepit. The team broke no records, but maintained the reputation earned by their predecessors as focused, hard-nosed competitors to be respected by the entire swimming and diving community.

The MHS winter track and field teams may not have had many checks in the win column, but they did have a lot of winners. They had top performers in the league and district in boys distance events with Mike Alley going 4:41 in the mile and Jon Joyce going 10:17 in the two mile. Dylan Huff in the shot put and Bob Rallis and Rob Huff in the hurdles also had a lot of success. Rob Huff also cleared 5'8" this season in the high jump. On the girls team Laurie MacMannis had an outstanding season in the hurdles and Gabby Tenaglia did well in the 55m. The 4X200 relay team of Jen Stand, Kaitlyn Masionis, Moire Loftus, and Gabby Tenaglia also performed well.

Don't deny it ... you know you're going to miss your pesky LITTLE sister. And ya, I'll admit it, I'm going to miss my OVERPROTECTIVE big brother too. Some of my favorite days have been spent sitting at home listening to you serenade me with some guitar hero, or riding around in your car blasting music. I really am going to miss you.

Love you Mikey,
Schnugga

Andrea

Congratulations, you did it!

We are proud to be your family.

Heather,

Who knew life would shower us with so much adversity!
Despite everything, the lady whom was once a powerhouse of
energy and mischief(I could never take my eyes off you for a
second when you were young) continues to impress her family.
You preseeded at school when things were difficult. You took
chances to try new things -- chorus, theater, keyboard, guitar,
field hockey, sailing -- to name a few. You remain sensitive to
those around you and look for the positive. Hold your memo-
ries close; they will give you joy and strength. Keep your zest
for living and trying new things! Chase your dreams Heather!

Charlie Stand

**In Memory
Of
Coach Charlie Stand**

A Milford High School Teacher-Coach for 36 years, Mr. Charlie Stand dedicated his entire career to coaching and instructing the young people of our community exclusively. Coach Stand began his very successful career in 1970. Before retiring in 2006, Coach Stand, in sixteen years as our head Varsity Baseball Coach, won 450 games, 9 League Titles, 5 District Titles and a State Championship.

Inducted into the Massachusetts Baseball Hall of Fame in 2006, Coach Stand was recognized for his passion and knowledge of the game. Charlie was a motivator, an animated, feisty coach, who believed he should win every game.

In addition to his success on the diamond, Coach Stand coached Men's Soccer for fourteen years, Women's Soccer for eight, and Women's Softball for three years.

While his achievement will remain etched in our record books, the thousands of young athletes he taught, coached, motivated and celebrated success with, will forever reflect on the memories kept on Coach Stand's influence.

2008

YEAR IN REVIEW

2007-2008: We'll always remember it as the year...

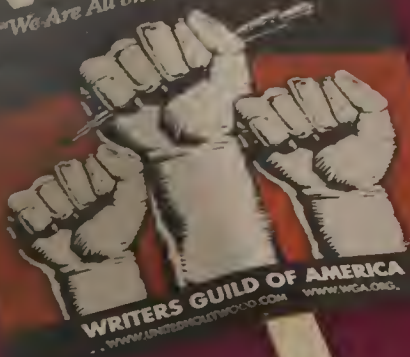

Well, the year of the what, exactly? It was the year of the high-tech iPhone, but also the year that good old-fashioned letter writing became popular among students. It was the year that Southern California burned while the Midwest was crippled by ice. This year we saw the bottom fall out of the mortgage market and a bridge in Minneapolis. In Washington, Alberto Gonzales and Karl Rove stepped down; in Boston, the Celtics, Sox and Patriots stepped up. In theaters, Bourne, Shrek, Spidey, and Pirates all came back for "Threequels," but our favorite TV shows were cut off after only a few episodes due to the writers' strike.

And so, with Hollywood on hold and nothing good on TV, we decided to focus our attention on re-thinking our lifestyle and coming up with ways to produce less waste and use less energy. Being Earth-friendly became fashion-forward. Champions of planet preservation are hoping that environmentalism catches on as a new lifestyle rather than a flash-in-the-pan fad.

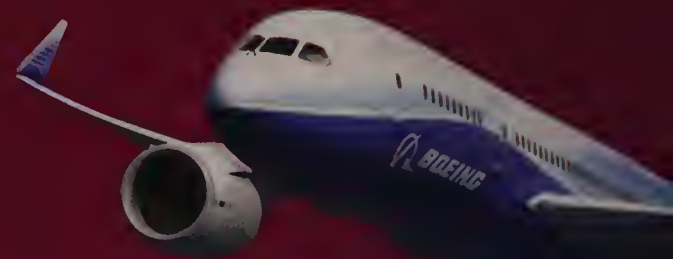

If so, then we may be able to look back and call 2008 "The Year We Saved The Planet."

SOLIDARITY WITH WRITERS

"We Are All on the Same Page"

Boeing brings us a super-efficient airplane, the 787 Dreamliner, which uses 20% less fuel than similarly sized airplanes.

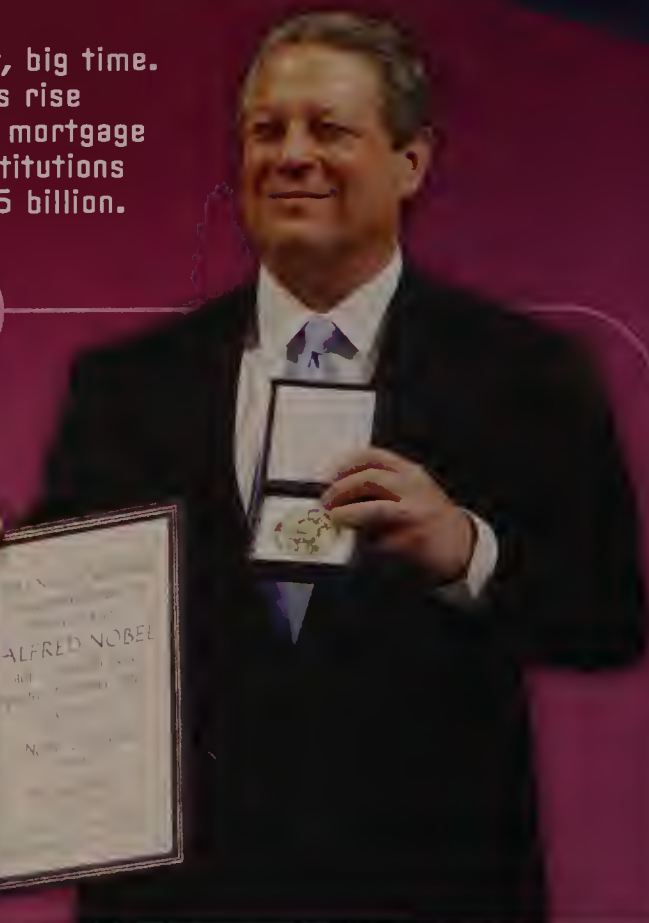

Hate to burst your bubble

The housing bubble finally burst, big time. Defaults on subprime mortgages rise steadily. As a result, a slew of mortgage companies fail and financial institutions recognize losses exceeding \$135 billion.

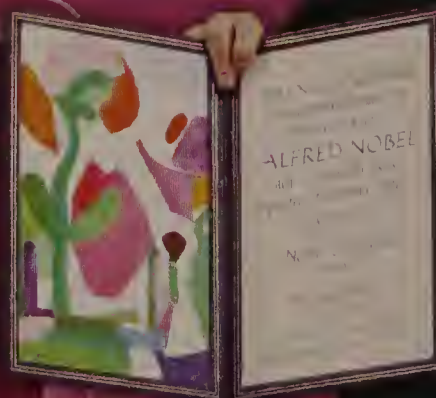

Nobel committee warms up to Gore

Former Vice President Al Gore and the U.N.'s Intergovernmental Panel on Climate Change win the 2007 Nobel Peace Prize for their efforts to raise awareness of global warming.

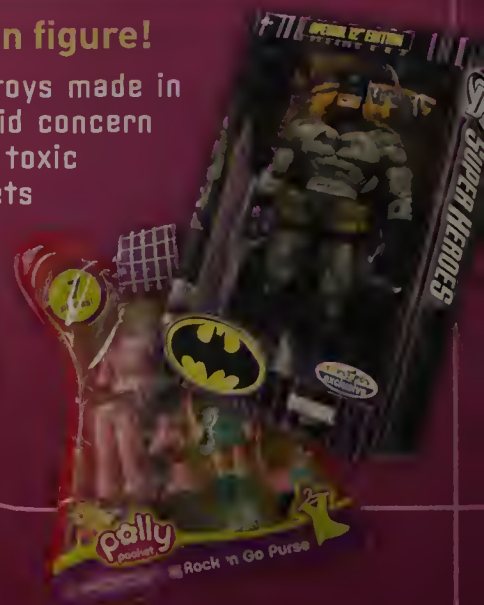

The pen is mightier

Seeking fair compensation for content distributed through the internet and DVD sales, the Writers Guild of America goes on strike against the Alliance of Motion Picture and Television Producers causing reruns, reality TV and game shows to overwhelm the airwaves. The strike costs the entertainment industry over \$1 billion, and forces us to watch even more YouTube than ever before.

Don't eat that action figure!

More than 20 million toys made in China are recalled amid concern over items made with toxic lead paints and magnets that pose a choking risk to children.

"Harry Potter and the Deathly Hallows"

The final installment of the Harry Potter series breaks sales records as the fastest-selling book ever, selling more than eight million copies in the first 24 hours following its release. Rumor has it that all eight million copies were read immediately, in one sitting, to avoid having the ending spoiled.

California wildfires

A series of wildfires burns across Southern California resulting in the death of at least ten people, the destruction of over 1,500 homes and leaving over 500,000 acres of scorched earth.

Drew Carey, come on down!

After Bob Barker's retirement from hosting "The Price is Right," Drew Carey steps in to host "America's favorite game show."

"Taps" plays for bottled water

The same people that turned bottled water into a \$15 billion industry are now regretful that 38 million plastic bottles a year are made with 1.5 million barrels of oil. Back to tap water, everybody!

Of mice and men

By rewinding infected mice's skin cells to an embryonic state and manipulating them to create healthy replacement tissue, scientists grow ever closer to curing Sickle Cell disease in humans.

The tides are turning

More and more people, politicians, and scientists are starting to acknowledge the possibility of global warming as a reality, launching a trend to "go green" and take better care of our planet.

The Cat in the Hat turns 50

In 1954, Ted Geisel (a.k.a. Dr. Seuss) was challenged to write a more exciting version of the boring "Dick and Jane" children's reading books. In 1957, "The Cat In The Hat" was born, and Dr. Seuss's famous feline has been teaching kids to read for 50 years.

One Laptop Per Child

The idea is simple: provide children with opportunities to learn and explore, and they will do just that. The XO laptop developed by OLPC is built just for kids, and is designed to be affordable for every school-aged child in the world.

Oprah's high school challenge

This revealing new program shows us high school as high schoolers see it - challenging issues much deeper than prom or pimples.

Queen Rania of Jordan

With lots of press for her philanthropic work advocating women's and children's rights, including appearances on "The Oprah Winfrey Show," Queen Rania is quickly becoming the Queen a lot of young women are looking up to.

Hillary Clinton

John McCain

Barack Obama

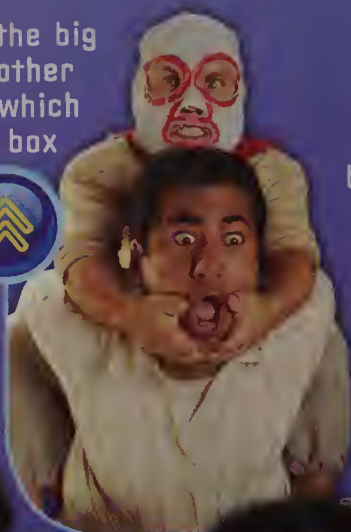

The race for '08

John McCain, Hillary Clinton and Barack Obama begin mudslinging through the Presidential primaries in hopes of becoming a candidate for President in 2008.

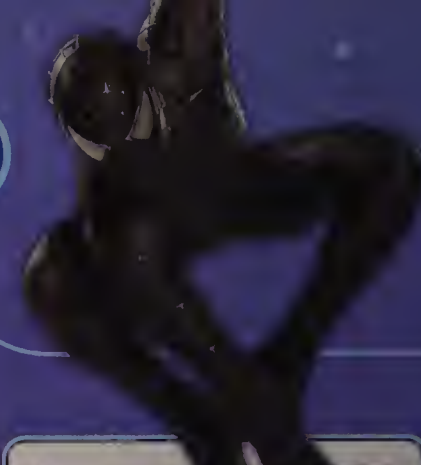

A smorgasbord of spoof

Don't have time to see all the big movies of the year? Why bother when there's "Epic Movie," which parodies all of the popular box office hits.

Back in black

In "Spider-Man 3," a strange black sludge bonds with Peter Parker and causes inner turmoil (and a sweet new black costume!) as he battles with new villains, temptations, and revenge.

"Hairspray"

Based on the 1988 cult classic about star-struck teenagers on a local dance show, "Hairspray" puts John Travolta in a dress and shows us a side of him we didn't see in "Saturday Night Fever."

The odds are 13 to 1

Danny Ocean and his crew of high-rolling casino robbers are out for revenge in "Ocean's Thirteen," the third installment of the Las Vegas heist series.

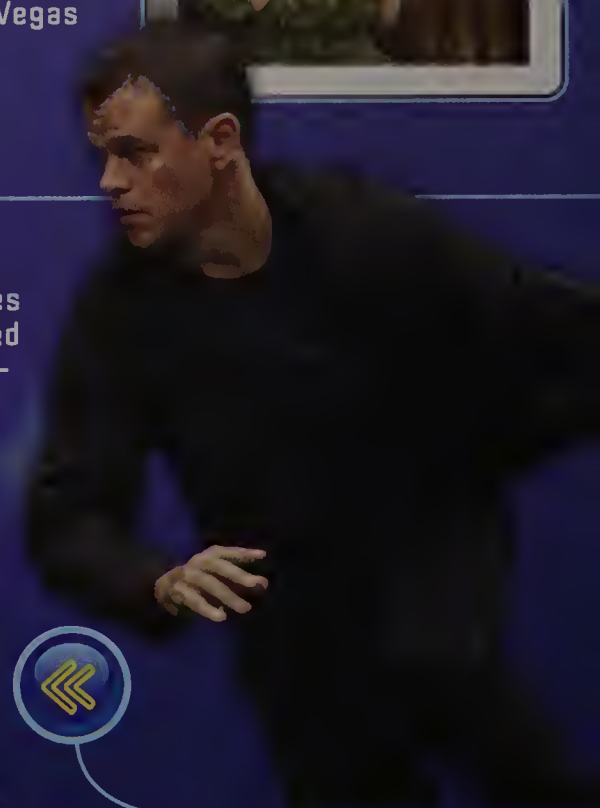

Rink of fire

Will Ferrell and Jon Heder star in "Blades of Glory" as two rival ice skaters banned from competition until a loophole is discovered that allows them to reluctantly skate as a pair.

Bourne again

Still seeking clues about his past and possibly his future, Jason Bourne races around the globe while being pursued by a mysterious assassin in "The Bourne Ultimatum."

POPULAR MOVIES

Transformers
I Am Legend
I'm Not There
The Simpsons Movie
300
Enchanted
Hairspray
High School Musical 2
Harry Potter and the Order of the Phoenix
Into The Wild
Sweeney Todd
Hot Fuzz

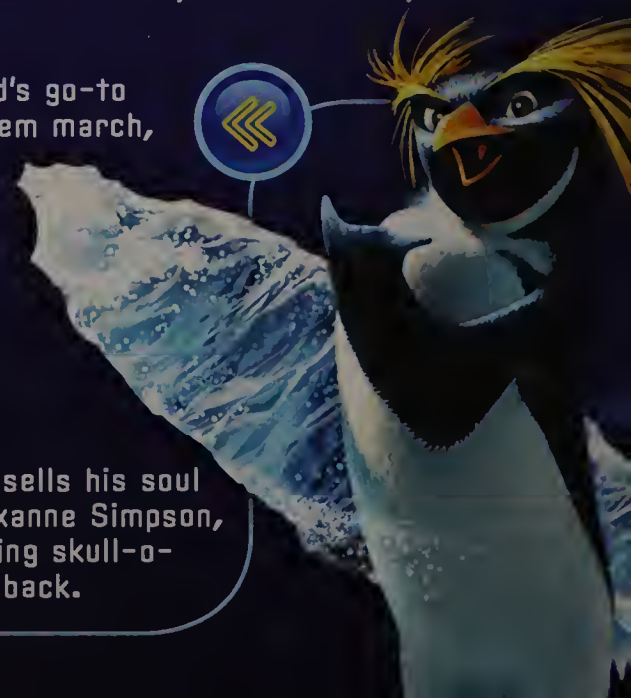

One ogre to rule them all

In "Shrek the Third," Shrek's plans to settle down and raise a family are disrupted by the sudden death of King Harold. Rather than take on the duty of ruling Far Far Away, Shrek decides to track down the true heir to the throne, Fiona's cousin, Artie.

Power to the penguin

The penguin has been Hollywood's go-to animal recently. You've seen them march, seen their happy feet dance, and this year, you see them hang ten in "Surf's Up."

"Ghost Rider"

Motorcycle stuntman Johnny Blaze sells his soul to save the life of his beloved, Roxanne Simpson, and becomes "Ghost Rider," a blazing skull-o-justice determined to get his soul back.

Funniest health code violation of 2008

Pixar serves up "Ratatouille," a deliciously funny tale of a French rat named Remy who wants to be a chef despite the obvious problem of being -EEK! -a rat in the kitchen!

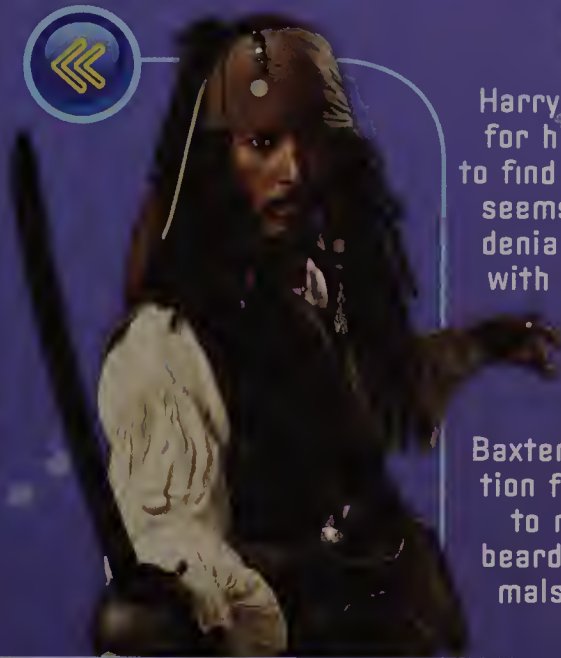

"Hot Rod"

Self-proclaimed (yet lousy) stuntman Rod Kimble prepares for the jump of his life - to clear fifteen buses to raise money for his stepfather's life-saving heart operation.

"Pirates of the Caribbean: At World's End"

Swashbucklers Will Turner and Elizabeth Swann are allied with Captain Barbossa in a quest to free Captain Jack Sparrow from his mind-blowing trap in Davy Jones' Locker.

"Harry Potter and the Order of the Phoenix"

Harry Potter returns to Hogwarts for his fifth year of studies, only to find that the magical community seems to be in a curious state of denial about his recent encounter with the sinister Lord Voldemort.

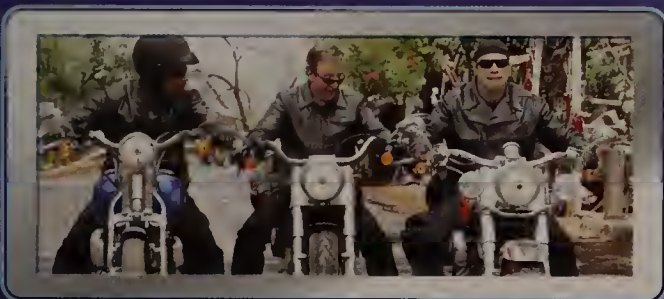

"Evan Almighty"

God tells Congressman Evan Baxter to build an ark in preparation for a great flood. God forgot to mention that a lengthy white beard and countless pairs of animals were also part of the deal.

Raking in the D'Oh!

After 20 years of small-screen success, "The Simpsons" blow up the big screen in their first feature-length film. The film grosses over \$500 million, and leaves everyone singing the Spider-Pig theme song.

"Wild Hogs"

Tired of their humdrum lives, four middle-aged friends decide to temporarily ditch their responsibilities and take a motorcycle trip.

The scariest mom since "Psycho"

The epic poem we all have to read in lit class comes to life on the big screen. "Beowulf" saves the Danes from the indomitable monster Grendel and later, Grendel's mother, who begins killing out of revenge.

Motor Trend's Film of the Year

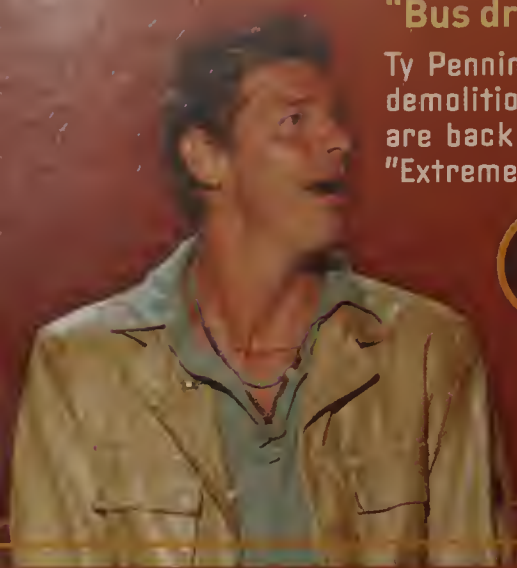

A war erupts on Earth between the heroic Autobots and the evil Decepticons, leaving the fate of mankind in the hands of a kid and his Camaro (with a little help from Optimus Prime).

MOVIES

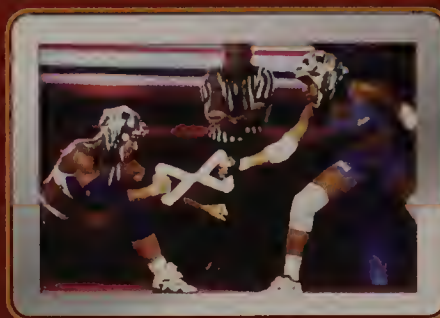

"Bus driver - move that bus!"

Ty Pennington and his crew of demolition and renovation experts are back for a fifth season of "Extreme Makeover: Home Edition."

"American Gladiators"

A revamp of the 1989 series, the all-new upgraded version pits recreational athletes against fierce warriors wielding giant Q-tips in the ultimate David & Goliath battle.

Can you be Frank with us?

Celebrity impersonator Frank Caliendo gets his own sketch comedy show, "Frank TV," where he showcases the hundreds of voices that live inside his head.

More like "Two and Three-Quarters Men"

Since 2003, CBS' "Two and a Half Men" has been a ratings powerhouse. But the older child-actor Angus T. Jones gets, the more they might want to re-think that title.

EMMY AWARD WINNERS:

Comedy Series: "30 Rock"

Variety, Music or Comedy Series: "The Daily Show With Jon Stewart"

Reality-Competition Program: "The Amazing Race"

Actor, Drama Series: James Spader, "Boston Legal"

Actor, Comedy Series: Ricky Gervais, "Extras"

Actress, Drama Series: Sally Field, "Brothers & Sisters"

Actress, Comedy Series: America Ferrera, "Ugly Betty"

"The Hills" are alive with controversy

Sure, we like keeping tabs on LC, Heidi, and Audrina - but how "real" is this MTV reality show, anyway?

"Chuck"

One day you're a computer geek working for the Nerd Herd, and the next day your head is full of government intel and you're running secret missions for the CIA ...and you STILL work for the Nerd Herd.

"Deal or No Deal"

After three seasons, "Deal or No Deal" has yet to give away the million-dollar prize. As a result they keep adding million-dollar cases, building up to a \$100 million cash prize.

Weirdos in Wisconsin

The CW launches "Aliens in America," a politically incorrect satire about two high school students who just don't feel like they're fitting in - a feeling that 99.9% of high school students can relate to.

"Are You Smarter Than a Fifth Grader?"

Most game shows offer big money, but "Are You Smarter Than a 5th Grader" puts something bigger on the line: pride. Losing contestants have to look into the camera and declare "I am not smarter than a 5th grader."

Bart Simpson is older than he looks

It's a big year for America's Favorite Family, as "The Simpsons" celebrate 20 years on television and 400 episodes.

Bad day at "The Office"

Most of the actors on "The Office" are also the show's writers. Therefore, there are no new episodes produced during the writers' strike, even though scripts had been written.

Holding out for a Hero

With no new episodes in the foreseeable future, fans of "Heroes" turn to the NBC website for "Heroes: Evolutions." Here they get their fix of new stories during the writers' strike.

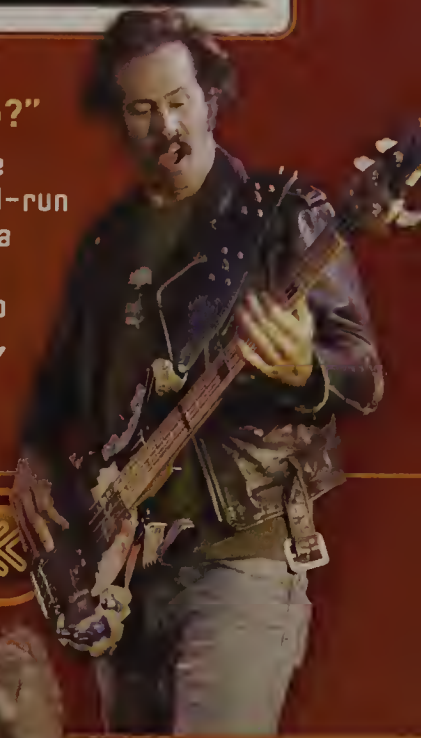

Sanjaya sits idly as Sparks flies

Seventeen-year-old Jordin Sparks beats out Blake Lewis for the title of "American Idol," while the rest of America breathes a sigh of relief that Sanjaya Malakar was finally voted off the show.

"Samantha Who?"

After becoming the victim of a hit-and-run accident, Samantha Newly develops amnesia and has to rediscover her life, her relationships and herself.

Do you believe in magic?

Uri Geller and Criss Angel head up the search to find America's next great mentalist on "Phenomenon," a reality show where the contestants' talents are mind-boggling.

Karma is a funny thing

What goes around, comes around: Could it be that the reason "My Name Is Earl" wins so many entertainment industry awards is because it makes so many people laugh?

The sew must go on

Fortunate for fashionistas, the Writers' Strike didn't affect production of "Project Runway," now in its fourth season.

Dangerous curves ahead

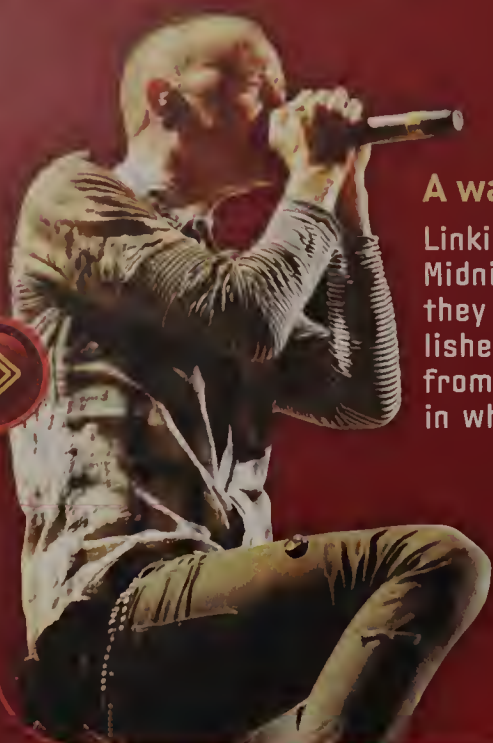

Indy 500 champion Helio Castroneves and his dance partner Julianne Hough show that they're driven to succeed after they win first place in "Dancing with the Stars."

Ugly never looked so good

After a stellar first season, "Ugly Betty" starts its second season with two Golden Globe awards, an Emmy, and two Teen Choice Awards, among others.

A walk in the park

Linkin Park releases "Minutes to Midnight," an album in which a) they experiment with their established sound and draw influences from a wider range of styles, and in which b) they totally rock.

Fallout unlikely

With their latest album, "Infinity On High," topping the 2007 Billboard charts, Chicago pop-punkers Fall Out Boy spend 2007 teaching us the difference between a scene and an arms race.

POPULAR ALBUMS

Alicia Keys "As I Am"
Common "Finding Forever"
Kanye West "Graduation"
Timbaland "Timbaland Presents Shock Value"
Amy Winehouse "Back to Black"
Radiohead "In Rainbows"
Arctic Monkeys "Favourite Worst Nightmare"
Jay-Z "American Gangster"
Rihanna "Good Girl Gone Bad"
White Stripes "Icky Thump"

Avril doesn't like your girlfriend

Avril Lavigne's third album debuts at number one and her single "Girlfriend" rockets to the top of the Billboard charts. Keep your eyes on your guys, ladies.

Popular before she was popular

Colbie Caillat was a MySpace Music phenom before her first single, "Bubbly," was widely released.

Shawty got low, low, low, low

Flo Rida's club-based single "Low" featuring T-Pain hits No. 1 and becomes a dance-floor jingle selling Apple Bottom Jeans and "boots with the fur."

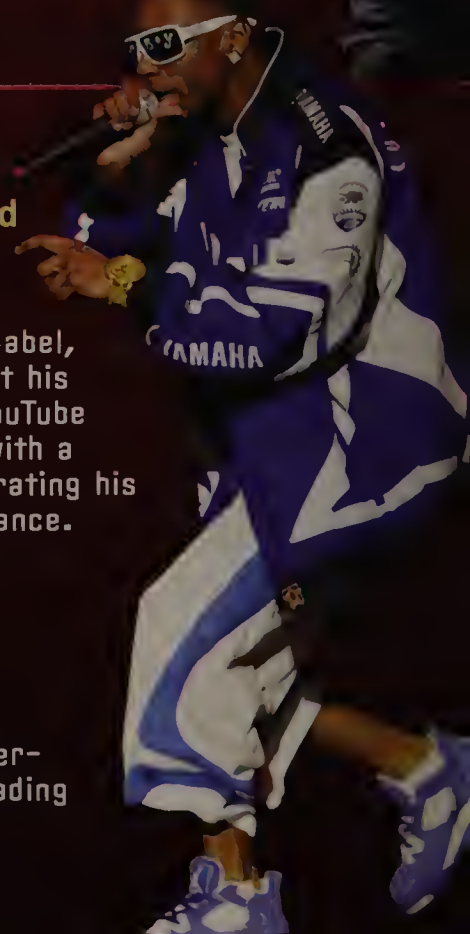

Justin likes your girlfriend

What better way to impress the ladies than to release the "Deluxe Edition" of your No. 1 album and then put together a world tour that grosses over \$100 million?

Unsigned and still major

Before signing with a record label, Soulja Boy built his following on YouTube and MySpace with a video demonstrating his "Soulja Boy" dance. Crank THAT!

Beyoncé still soaring

With her chart-topping singles and dazzling performance in the movie "Dreamgirls," R&B's leading lady shows us that she's still "irreplaceable."

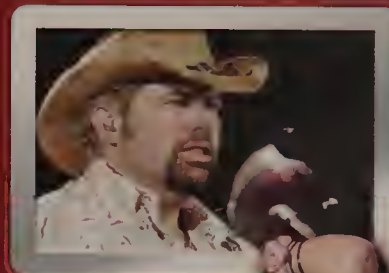

Gym Class Heroes

They're MTV's Best New Artist of 2007, and they're always picked first for dodgeball.

Big Dog Daddy

Toby Keith unleashes his mega-successful album, "Big Dog Daddy," proving once again that his music is good for more than just selling Ford trucks.

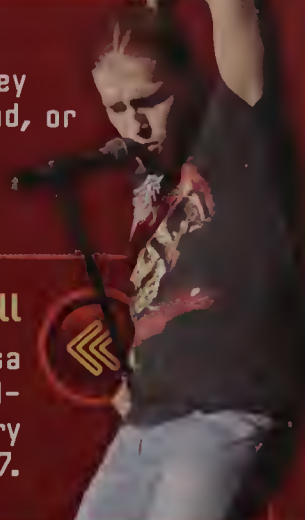

Chris Brown

With acting appearances in "The OC," "Stomp the Yard," and "This Christmas," and a Grammy nomination for "Kiss Kiss," Chris Brown shows that he can do just about anything he pleases.

Plain White T's

Hey there, Delilah, are they America's hottest new band, or just a clever ad campaign for Fruit of the Loom?

Jason Michael Carroll

Carroll's single "Alyssa Lies" earns him Billboard's Top New Country Artist of 2007.

How to Carrie a tune

Carrie Underwood releases "Carnival Ride," which is certified double-platinum, and she is named Billboard's Best Country Artist of 2007.

The poor girl still struggles with algebra

At 18, Taylor Swift already has three No. 1 singles, one of which she wrote in 9th grade math class.

Featuring T-Pain

List the songs you liked this year, and T-Pain probably had something to do with one of them.

Daughtry dominates

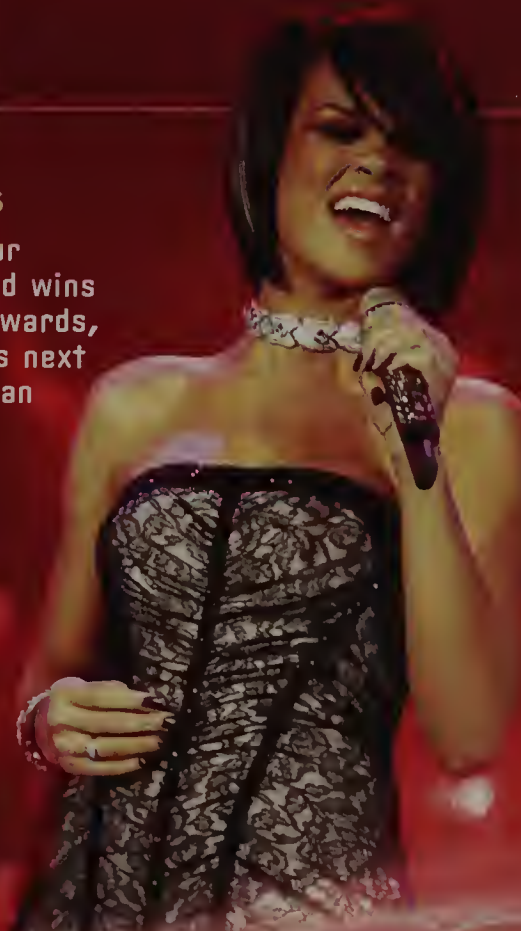

Chris Daughtry gets four Grammy nominations and wins three American Music Awards, which he probably keeps next to his 4th Place American Idol trophy.

Pray for rain

Rihanna's single "Umbrella," featuring Jay-Z is named one of the 10 Best Songs of 2007 by "Time" magazine, and Rihanna earns six Grammy nominations in 2008.

Finger Eleven

We all seem to be struck by Finger Eleven's "Paralyzer," the band's second Top 40 hit in 5 years.

MUSIC

Samsung Q1 Ultra

All the power of a PC, all the portability of a handheld. It plays music and movies, it runs Windows XP, and it looks oh-so-sleek. This "little guy" just might revolutionize the contents of our backpacks.

Flytech Dragonfly

Tiny helicopters are yesterday's news. The Flytech Dragonfly is the world's first remote-controlled flapping flying machine, and it's a blast to play with.

The only way to go Blu-ray

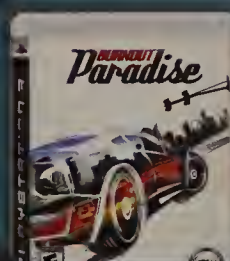

Sure, you can watch Blu-ray discs on your PS3, but if you're serious about picture quality, the Pioneer Elite Blu-ray player could be the best thing to ever happen to your plasma screen.

POPULAR VIDEO GAMES

ROCK BAND

It's like Guitar Hero, but adds drums and vocals.

BURNOUT PARADISE

Blazing-fast race game with a wide-open map.

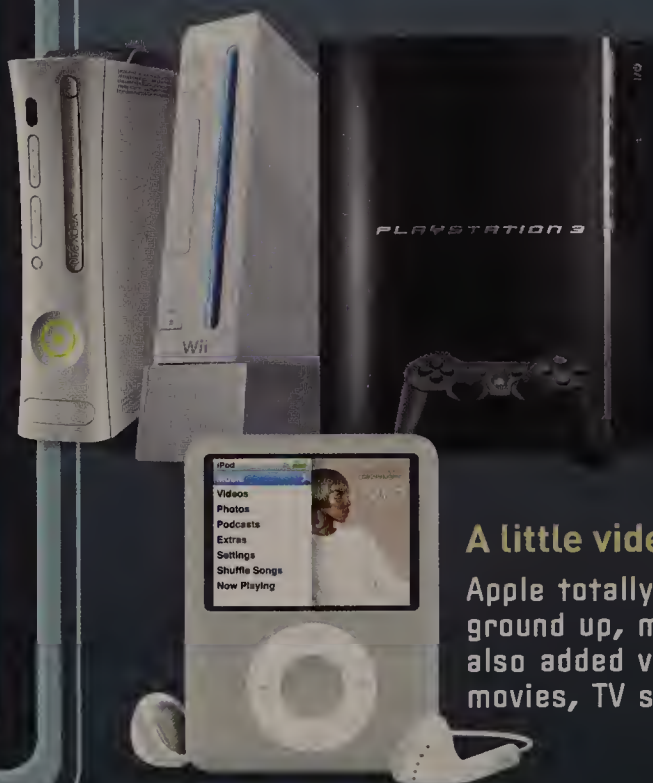

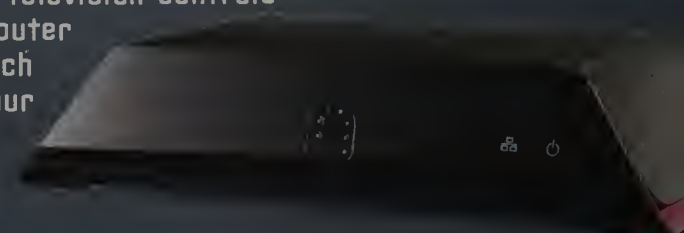

SUPER MARIO GALAXY

Super Mario in outer space!

Send it to my screen

The Slingbox throws your home television controls to any internet-connected computer or cell phone. Now you can watch "Aqua Teen Hunger Force" on your phone, or surf channels from any couch in the world!

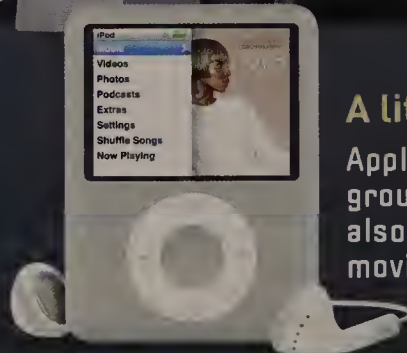

Games people play

Whether you want the expandability of the Xbox 360, the exceptional wi-fi and Blu-ray capabilities of the Playstation 3, or the four-player fun of the motion-sensing Nintendo Wii, there's no doubt that home game consoles are bigger and better than ever. And best of all, Guitar Hero III is available for all three platforms.

A little video for everyone

Apple totally redesigned the iPod nano from the ground up, making it shorter and wider. They also added video capability, so you can watch movies, TV shows and music videos on the go.

High interest R8

From Audi comes the all-new R8. Race inspired with it's mid-engine design and high-revving 4.2 liter V8, the new R8 is not only powerful, it's also gorgeous enough to forgive it's 15 mpg fuel rating.

This is your wake-up call

The iPod alarm clock from Boynq is a pretty little bedside accessory that lets you wake up to your favorite song. And the remote-controlled snooze button practically guarantees that you'll never be on time for anything again.

Slide over here and look at these pix

The reason we have to have a Nikon CoolPix S51 is because we can create an in-camera slide-show set to our own music and view it on the huge 3-inch display.

Image is everything

Canon's latest PowerShot SD870IS is ultra-compact in looks only. It features a 3-inch display, 8-megapixel resolution, and face detection technology.

Spion Digital Binocular Camera

What did you expect from a company whose name rhymes with "Spy on?" Binoculars with a built-in digital camera can either get you great close-up shots or a restraining order. Use them wisely.

High-def Sony Handycam

Tired of lugging that big camcorder to the skate park? Sony's ultra-light and compact HDR-CX7 is the best way to capture high-def video on the halfpipe.

Apple's new flat-top

Apple's MacBook Air is the world's thinnest notebook - thin enough to fit in an envelope and slide under a door - and it may start a trend towards totally wireless laptops.

King of the shiny things

People stand in line for hours to get their hands on this highly anticipated cell phone from Apple. This über-gadget combines cell phone technology with a fully functioning touch-screen iPod. The iPhone contains tons of on-board features and looks unlike any other phone on the market, making it the must-have gadget of the year.

A large, stylized, metallic-looking title "GADGETS" with a camera lens icon integrated into the letter 'G'. The background features a faint image of a boat and a car.

Barry Bonds breaks HR record

On August 7, 2007 Barry Bonds hits his 756th home run, breaking the all-time career home run record formerly held by Hank Aaron.

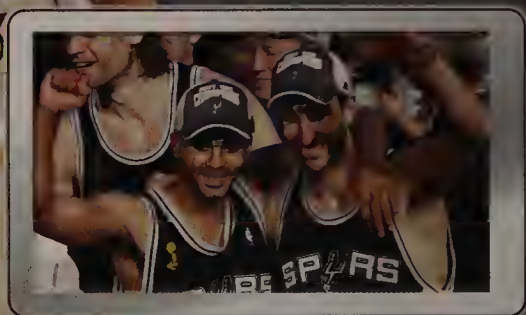

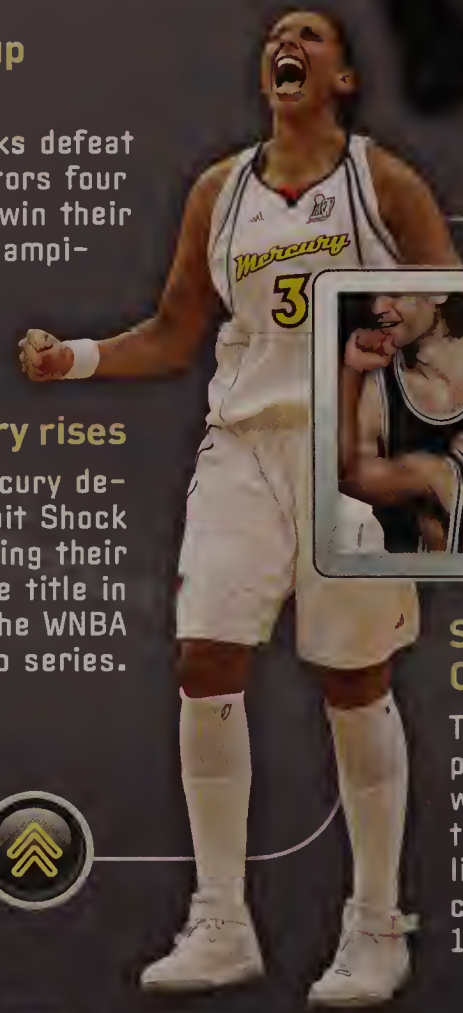

The Stanley Cup gets quacked

The Anaheim Ducks defeat the Ottawa Senators four games to one to win their first ever NHL championship trophy.

Mercury rises

The Phoenix Mercury defeat the Detroit Shock 108-92, clinching their first league title in Game 5 of the WNBA championship series.

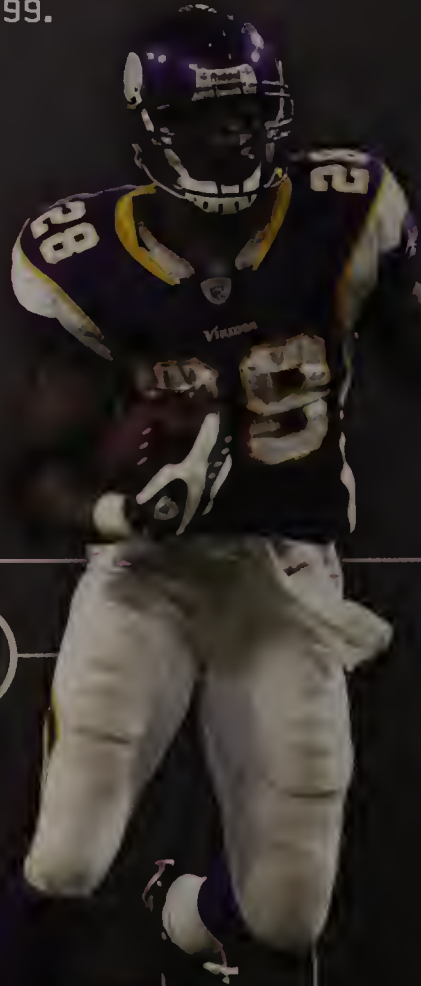

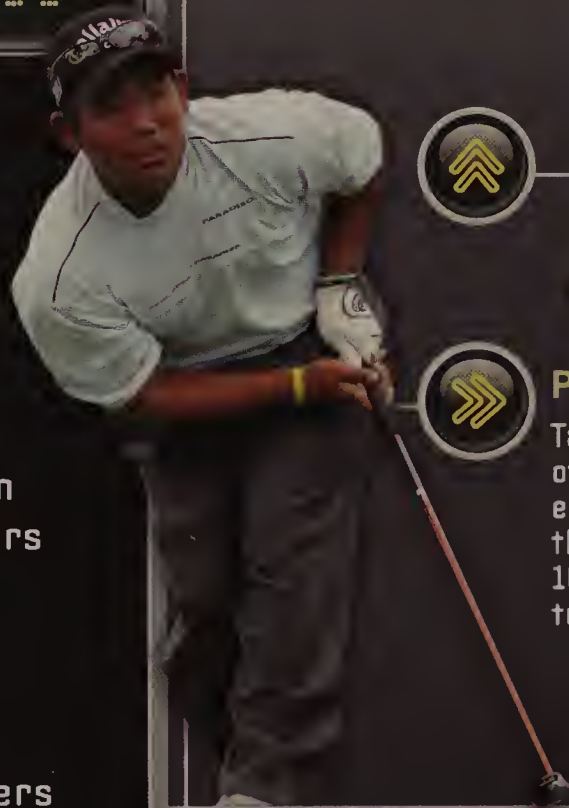

Spurs stick it to Cavaliers

The San Antonio Spurs prove they can do no wrong as they defeat the Cleveland Cavaliers to win their fourth championship since 1999.

Pro before prom

Tadd Fujikawa is one of the youngest golfers to have competed in the U.S. Open, and at 16 announces that he is turning pro.

Yo! Adrian!

Former Oklahoma running back Adrian Peterson plays his first season in the NFL, where he sets a single-game NFL rushing record of 296 yards, and is named the league's Offensive Rookie of the Year.

Giants step on New England

The New York Giants upset the New England Patriots 17-14 to win Super Bowl XLII.

Gators bite back-to-back

The Florida Gators men's basketball team becomes the first college team ever to win repeat championships with the same starting lineup.

Crazy year in the BCS

It's a system designed to calculate a college football team's ranking based on statistics. But until this year, the system never encountered so many upsets by low-ranking or un-ranked teams.

Makes Volunteer work look easy

The Lady Volunteers of Tennessee defeat Rutgers to win their 7th NCAA Women's Basketball championship.

Bench 'em like Beckham

He's head and shoulders above other players, but his injured knees and ankles kept him sidelined for much of his first season with the LA Galaxy.

Jimmie Johnson

With 10 wins in 2007, Jimmie Johnson is NASCAR's Nextel Cup Champion.

The New England Patriots have a perfect 18-0 record until they face the NY Giants in Super Bowl XLII.

The Boston Red Sox win the World Series, sweeping the Colorado Rockies in four games.

The Boston College Eagles start their season at 8-0 for the first time since 1942, and go on to beat Michigan State in the Champs Sports Bowl.

The boys from Beantown

Ray Allen, Paul Pierce and Kevin Garnett put the Celtics back in the NBA, and the Patriots winning streak is rubbing off on everyone from Boston College to the Red Sox. If you're a Boston sports fan, this is your year.

I'm Not a Plastic Bag

Bringing along a reusable shopping bag reduces waste, and this trendy canvas bag by Anya Hindmarch is wildly popular on both coasts.

Earth-saving vows

This year a popular wedding trend was to have a "green" wedding. Brides and grooms are selecting organic caterers, hybrid limousines, and outdoor garden venues to help reduce our ecological footprint.

The only trend that matters

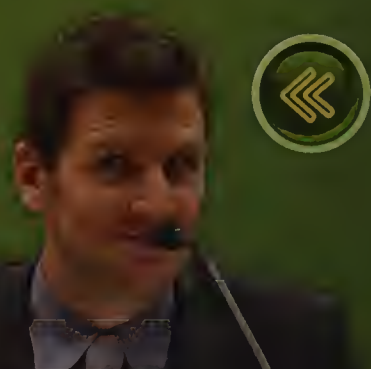

Sure, what you wear, what you buy, and how you style your hair and make-up define the trends of the past year. But the biggest and most ubiquitous trend of 2008 is to "go green." No longer just a niche cause for "tree-huggers," environmentalism goes mainstream and everyone from brides-to-be to major corporations begin doing their part to radically re-think how we can function with less waste, less pollution, and a brighter future for our planet.

Changing light bulbs

Office buildings and schools everywhere are switching from fluorescent lights to Compact Fluorescent Lights or Light Emitting Diode bulbs. Both last 10 times longer than fluorescent bulbs and can reduce energy usage by 50-80%.

Reverb gets good feedback

Eco-friendly musicians turn to Reverb, a company founded by musician Adam Gardner of Guster (right), to help them plan greener tours. Reverb "greens" concert tours by providing biofuel for tour busses, biodegradable catering products, and on-site fan outreach.

Drive a Hummer, plant a tree

"Carbon offsetting" is a method by which people and companies do good deeds such as building turbines, planting trees and converting methane into fuel to make up for the ozone-depleting CO2 generated by their energy-consuming lifestyles.

The big, green corporate machine

Big businesses across the globe have begun to radically re-think their operations. Subaru's plant in Indiana has achieved zero landfill status. Wal-Mart hopes to one day soon be supplied by 100% renewable energy. Hewlett-Packard, S.C. Johnson and Continental Airlines are among other corporations being applauded for their environmental efforts.

Could a Brushfire save the planet?

Musician Jack Johnson converts the offices and studios of his Brushfire record label into a model of ecofriendliness, with solar power, recyclable CD packaging and energy-saving air conditioners.
